Harmes, 2022-03-30 This book considers how legal history has shaped and continues to shape our shared present Each chapter draws a clear and significant connection to a meaningful feature of our lives today Focusing primarily on England and Australia contributions show the diversity of approaches to legal history s relevance to the present Some contributors have a tight focus on legal decisions of particular importance Others take much bigger picture overview of major changes that take centuries to register and where impact is still felt The contributors are a mix of legal historians practising lawyers members of the judiciary and legal academics and develop analysis from a range of sources from statutes and legal treatises to television programs Major legal personalities from Edward Marshall Hall to Sir Dudley Ryder are considered as are landmarks in law from the Magna Carta to the Mabo Decision

A.B. Piddington, the Last Radical Liberal Morris Graham, 1995 A B Piddington once lionised by the Establishment has been written out of history by his powerful enemies This extensive study reinstates Piddington as a significant Australian who played an important part in developing Australia s social policy Piddington s achievements were many he helped shape industrial arbitration in New South Wales forced John Lange to introduce child endowment defended the basic wage during the Depression fought federal attempts to restrict free speech and became a pre eminent authority on the Australian economy through conducting state and federal commissions Now virtually unknown Piddington attracted controversy and condemnation in the 1920s and 30s for being a dangerous radical His criticisms of postwar nationalist governments and the money power and later his rulings as New South Wales Industrial Commissioner made him an enemy to be destroyed He resigned in 1932 following Lang s sacking and lost his place in history in a decade of conservative rule Always maintaining his support for liberalism and democracy when others retreated into conservatism and even fascism Piddington was the last radical liberal of his generation
