**Conscience** Andrew David Naselli, J. D. Crowley, 2016-04-14 There is an increasing number of divisive issues in our world today all of which require great discernment Thankfully God has given each of us a conscience to align our wills with his and help us make wise decisions Examining all thirty New Testament passages that touch on the conscience Andrew Naselli and J D Crowley help readers get to know their consciences a largely neglected topic and engage with other Christians who hold different convictions Offering guiding principles and answering critical questions about how the conscience works and how to care for it this book shows how the conscience impacts our approach to church unity ministry and more *How Can I Develop a Christian Conscience?* Robert Charles Sproul, 2013 In this booklet Dr R C Sproul shows that this development involves learning and mastering the many principles God has laid down in His Word and even in creation itself In other words we must know and understand Gods law As we gain a firmer grasp of what God expects and requires we are increasingly able to make decisions that please Him **Christian Ethics** Newman Smyth, 1907 [Christianity and the Laws of Conscience](#) Jeffrey B. Hammond, Helen M. Campbell and F.S. Williams]**. Congregational union of England and Wales, 1868 [Confessing Christ](#) Keith S. Whitfield, Steven A. McKinion, Christine E. Thornton, 2024-11-01 Edited by Baptist scholars Steven A McKinion Christine E Thornton and Keith S Whitfield *Confessing Christ* An Introduction to Baptist Dogmatics offers a unique and comprehensive exploration of Baptist theology Grounded in the belief that theology is both exploratory and explanatory the book introduces a historical covenantal ecclesial and confessional approach to Baptist Dogmatics Each essay delves into a specific area of dogmatic theology covering essential topics such as God Scripture anthropology Christology salvation ecclesiology the sacraments the Christian life and eschatology The volume editors emphasize the importance of renewing Baptist life and mission through a rediscovery

of the rich theological heritage By understanding and engaging with this tradition Baptist Christians can express their faith more authentically in the contemporary context and future endeavors The book's four key elements historical covenantal ecclesial and confessional provide a structured framework for exploring core Christian doctrines within the context of Baptist dogmatics Each chapter incorporates biblical exegesis and dialogue with at least one historical Baptist theologian Confessing Christ stands as a significant contribution to the field of Baptist dogmatics serving as essential reading for Baptist scholars pastors and church leaders seeking a deeper understanding of the Baptist theological tradition and its contemporary relevance

Studies in Christian Character, Work, and Experience William Lonsdale Watkinson, 1903 *Flawed Institution—Flawless Church* Paul Ungar, 2014-09-26 Contemporary news headlines as well as the history of the Church are replete with scandals unholy acts and abuses of power Such a disappointing trend has shaken the faith of many and made it fashionable to decry the hypocrisy of organized religion Yet despite these massive stumbling blocks the Church has always insisted and continues to maintain that it is none other than the Holy Body of Christ How can these polarities be reconciled How can the world's trust in the Church be renewed in this postmodern era of religious indifference and apathy How can an obviously flawed institution become the genuine Church as intended by Jesus Christ Responding to these questions the author calls for a critical self evaluation of the Church in her quest for renewal presents a much needed modern interdisciplinary approach to apologetics and powerfully promotes ecumenism This scholarly and passionately written book substantiates Christian optimism and provides a thoughtful and convincing response to the challenges posed by skeptics such as Nietzsche Freud Dawkins and their contemporary intellectual heirs

Williams, 2008-09-18 Father Williams explains how the conscience is formed through our training and experiences and informed by the Holy Spirit making it an essential tool for daily living He uses familiar and surprising characters to illustrate the positive choices conscience can direct and the disaster that results when a conscience is undeveloped or ignored Questions he tackles include Is it more important to be smart or good Is there a morally right thing to do in every situation and Is the Christian moral life an exciting adventure or a necessary burden Rich provocative and practical for everyday decision making *Knowing Right from Wrong* is a must read for all who hunger for personal holiness
