Christian Foundations Michael Green, 2018-01-19 Jesus called his followers first and foremost to become disciples. Sadly a great many of those who have made a profession of faith fall by the wayside and never become true disciples because they have never been carefully nurtured. This short course by evangelist Michael Green is designed to help people move from decision to discipleship. Used across four continents it is a wonderfully effective resource that works for both small groups and individuals. This book will guide those who have recently come to faith and those seeking faith in how to become a disciple of Jesus. It will point the way to fruitfulness and life.

Guide to Foundations in Florida George L. Gould, 1983

[Christian Foundations](#) Keith Malcomson, 2014-03-15 The believer's life is often compared in the Bible to the construction of a building. The foundation of a building is the most important part as the size, weight, and height of a building will depend on the depth, width, and materials of the foundation. Once a foundation is set, then a dwelling can be erected and inhabited. These Six Foundational Truths of Hebrews: Chapter Six, repentance, faith, baptisms, laying on of hands, resurrection of the dead, and eternal judgment are the primary and vital spiritual foundations that must be laid solidly in a believer's life. The cause for every problem in the Christian's life, both for young and old believers, goes right back to these foundational truths. This book contains a vital call to Go on to Perfection. Psalm 11:3: If the foundations be destroyed, what can the righteous do?

Foundations of Christian Thought Mark P. Cosgrove, Written by a veteran Christian educator, this readable book describes the relationship between the Christian faith and the world of learning by looking at the five modern worldviews competing with Christian theism.
