Simple Faith Bo Lange,2011-12-16 Man shares his Faith in book A simpler approach to the Bible January 2 2012 By Jason Raiche jraiche dailypress net Daily Press ESCANABA Escanaba resident and Swedish native Bo Lange has recently released a book on Christian faith now available online The book called Simple Faith touches on Biblical Christianity in the culture of religions and secularism as noted in the book s subtitle and stemmed from a book Lange wrote in his native Sweden Simple Faith offers a look at Christian faith as represented solely in the Bible according to an overview of the book on publishing company WestBow Press website Lange said Simple Faith is essentially about having confidence the Bible is God s word as he is concerned with secularism and religion dominating our culture which has led him to reintroduce the Bible to readers The book breaks down arguments about Christianity to the most basic yet powerful aspects of the Christian faith according to the overview I have the preconceived idea that the Bible really is the word of God which means you can still trust it explained Lange adding if the Bible truly is God s word and it is the revealed word of God to man that makes it no ordinary book He said the word simple helps define the concept behind faith and also represents his own mind I have a simple mind said Lange Some people especially those who are more sophisticated they have a hard time with me because I m so simple So I decided to write the book about simple faith by a simple mind By simple Lange does not mean simple in the way of easy believism where if you believe then you re a Christian but simple as in the concept of faith itself First of all one of the chapters has to do with How does a person reconcile with God or how is a person like they usually say saved said Lange And I say it s only by faith Very simple He said Simple Faith is based on an earlier book he wrote in the Swedish language about the Christian faith in the Swedish philosophical world which was called The Dividing Line and discusses the dividing line between religion and Christian faith Simple Faith which he finished writing this last year essentially evolved from The Dividing Line he said Coming from a secularist society and humanistic parents I have gone through all these issues he explained You wonder how in the world did you come up with an idea like that if you grew up in a very liberal progressive country And I still believe it so that s why I decided I m going to write it and say You can still believe this Lange said the book is for those seeking to figure out whether they can believe the Bible for those who have just become

Christians for those long time Christians as a reminder they can still believe the Bible and for sophistic philosophers such as priests or pastors who have gone away from this message The process for getting the book published this time was different from what he did on his first two books in Sweden he said The two first ones I wrote in Sweden I went to the printer and said This is what I want you to print said Lange So this time I did a lot of web searching and I found this WestBow Press which I had heard a little bit about before And they do all the publishing WestBow is a Christian book company with all books published having Christian messages said Lange Though he had a friend from Marquette edit the book he said WestBow has cut out a lot of the work he had to do from the first two times he was published The second book in Sweden I printed 1 000 copies and I had to distribute them and it was so hard so they WestBow do the distribution on Amazon com and Barnes and Noble and it s an eBook He said the company will print the book according to needs and keeps 50 percent of proceeds from each book which costs 9 95 Lange will be requesting 100 copies from the company and the book will be sold locally at Canterbury Bookstore he said There will also be a book signing coming up at Stones Cafe when copies of the books arrive in approximately two to three weeks Lange comes from an Evangelical Covenant Church background and said he has been a confessing Christian since his childhood He also has served 38 years as a pastor serving both denomination and non denomination congregations Currently he resides in Escanaba with his wife Diana and has recorded Scandinavian music on both cassettes and CDs He has also helped organize area Scandinavian festivals teaches Swedish classes at the University of Wisconsin in Marinette and also teaches Swedish online For more information on Simple Faith search for the it online at westbowpress com

Christianity Made Simple Introduction

In today's digital age, the availability of Christianity Made Simple books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Christianity Made Simple books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Christianity Made Simple books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Christianity Made Simple versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Christianity Made Simple books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Christianity Made Simple books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Christianity Made Simple books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a nonprofit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Christianity Made Simple books and manuals for download have transformed the way we

access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Christianity Made Simple books and manuals for download and embark on your journey of knowledge?
