Christmas Stranger:

The Christmas Stranger Richard Paul Evans, 2015-11-04 AN INSTANT NEW YORK TIMES BESTSELLER From the 1 New York Times bestselling author of the Christmas classic *The Christmas Box* and the 1 Netflix movie *The Noel Diary* comes a powerful and thought provoking holiday story about love loss and the mysterious workings of heaven Sometimes the universe sends us exactly who we need Three years after losing his family in a Christmas Eve accident grief stricken Paul Wanlass hasn't just given up on Christmas he's given up on life He can't imagine anything to keep him here not his work as a computer repairman not the residents in his Salt Lake City neighborhood and certainly not the idea of connecting with someone new When a stranger knocks on his door claiming to be picking up a laptop Paul allows him in but discovers the man has a very different mission in mind Paul wakes the next morning unsure if his encounter with the stranger really happened or was just a dream but when the stranger shows up again Paul challenges him to give him just one reason to live The stranger agrees to the challenge but warns Paul not to expect a path he would have guessed or chosen As the stranger promised Paul's life takes a wild and fateful turn A robbery connects him with a woman who has also lost the love of her life and in a seemingly unrelated incident Paul rescues a young boy from bullying only to find the boy needs a different kind of rescue The twists leave Paul wondering what these people have in common and why they were brought together Who or what really is this Christmas stranger and how will Paul find meaning once again
