**Brief Treatment and a New Look at the Task-centered Approach** Laura Epstein,1992      **Brief Treatment and a New Look at the Task-centred Approach** Laura Epstein,1992      *Social Work Treatment* Francis J. Turner,2017 Social Work Treatment remains the most popular and trusted compendium of theories available to social work students and practitioners This treasure trove of practice knowledge equips professionals with a broad array of theoretical approaches each of which shine a spotlight on a different aspect of the human condition      **Strategies for Work with Involuntary Clients** Ronald H. Rooney,Rebecca G. Mirick,2018-05-01 Often in their careers social workers will encounter clients who are either legally required to attend treatment services or are otherwise coerced or pressured into those services Practitioners in settings from prisons to emergency rooms to nursing homes to child protection agencies will find themselves with involuntary clients In an update to this classic text social workers Ronald H Rooney and Rebecca G Mirick explore the best ways to work with unwilling clients While work with involuntary clients is common it can be challenging frustrating and unproductive unless practitioners are well trained for it This book provides a theoretical framework for understanding the legal ethical and practical concerns when working with involuntary clients offering theory treatment models and specific practice strategies influenced by the best available knowledge Animated by case studies across diverse settings these resources can be used by practitioners to facilitate collaborative effective working relationships with involuntary clients      **Planned Short Term Treatment, 2nd Edition** Richard Wells,2010-06-15 The first edition of Planned Short Term Treatment established itself as an essential guide for social work and other clinical practitioners by showing them how by limiting the duration and scope of treatment they can help their clients solve the problems that bring them to therapy In this revised edition the author maintains this focus on social work practice while integrating several new approaches He includes a new chapter on marital and family intervention which clinically illustrates the practice applications of such theories as One Person Family Therapy and the Relationship Enhancement approach to marital therapy He also incorporates the new advances in the treatment of anxiety and depression through a discussion of both cognitive therapy and interpersonal psychotherapy and includes new sections dealing with very brief psychotherapy one to two sessions Planned Short Term Treatment Second Edition will be both an invaluable text for social work students and a comprehensive guide for the social work practitioner and other mental health professionals      **Social Work Theory and Methods** Neil Thompson,Paul Stepney,2017-10-23 This gateway text lays the foundations for a thorough knowledge of the theory and methods that social workers need Pulling together the work of a team of experts this book uses the innovative theorizing practice approach rather than the traditional applying theory to practice approach thereby providing a much more satisfactory basis for understanding the relationship between theory and practice and making it easier for practitioners to employ theory in practice Part I sets the scene by examining the relationship between theory and practice how research can be used to inform practice and the important role of policy and

organizational factors Part II provides 14 chapters each exploring a different theoretical approach All in all this book provides the ideal introduction to using social work theory and methods in practice Social Work Treatment 4th Edition Francis J. Turner,1996-09 The third edition 1986 is cited in BCL3 Introduces theoretical systems Aboriginal theory narrative hypnosis constructivism and empowerment theory and examines the full range of therapeutic approaches including psychoanalysis ego psychology cognitive crisis intervention client centered theory feminist theory and meditation The style and content of the chapters are practice oriented concentrate on the use of systems in a practical context and together with detailed descriptions of each theoretical system explore their real world implementation Annotation copyrighted by Book News Inc Portland OR Techniques and Guidelines for Social Work Practice Bradford W.
