**The Love of a Bright Star** Tammy Self,2019-01-18 This book is based on a true story It is about our grandpa BW and the love he had for his family He was a very influential and strong yet gentle man loved by many When he became sick he was still a positive example of strength while fighting his health challenges During one of his last surgeries Grammy prayed Lord I can take hearing a code blue during surgery if you will take him and show him who you are and who he is in you Grandpa went toward the light during that surgery and as he did he later told us he could look down at the operating room and see his body lying on the table He saw the doctors and nurses not as people but as balls of light yet he was aware that he instinctively knew which one was the doctor and which ones were the nurses Shortly after Grandpa BW passed away Stars a source of light began to appear everywhere Stars are the symbol of love Grandpa BW said he was going to be just before he passed away This story illustrates the unique situations in which stars appeared to us at significant times in our lives demonstrating that the light of love is eternal This story will touch the hearts of both children and adults alike May it help you to believe bring you comfort and hope in a time of uncertainty and give you faith in a love that is everlasting
