Bright Glass Of Memory A Set Of Four Memoirs:

The Essential Douglas LePan Douglas LePan, 2019-03-28 A veteran of the Second World War Douglas LePan never forgot his experience of the horrors of battle His bold powerful verses often recall scenes of valour tenacity and honour amid the festivals of savagery that soldiers face at every turn LePan focused memorably on combat and on courage he focused too on luminous moments of comradeship vulnerability and candour Whether about love war or nature LePan's work serves to Plunder the mind's aerial cages Or the heart's deep catacombs and reveals the human capacity for courage in all its forms The Essential Poets Series presents the works of Canada's most celebrated poets in a package that is beautiful accessible and affordable The Essential Douglas LePan is the nineteenth volume in the increasingly popular series *Lionel Robbins* Susan Howson, 2011-09-30 By the time of his death the English economist Lionel Robbins 1898 1984 was celebrated as a renaissance man He made major contributions to his own academic discipline and applied his skills as an economist not only to practical problems of economic policy with conspicuous success when he served as head of the economists advising the wartime coalition government of Winston Churchill in 1940 45 and of higher education the Robbins Report of 1963 but also to the administration of the visual and performing arts that he loved deeply He was devoted to the London School of Economics from his time as an undergraduate following active service as an artillery officer on the Western Front in 1917 18 through his years as Professor of Economics 1929 62 and his stint as chairman of the governors during the troubles of the late 1960s This comprehensive biography based on his personal and professional correspondence and other papers covers all these many and varied activities **Bright Glass of Memory** Douglas LePan, 1979 *Canada First, Not Canada Alone* Adam Chapnick, Professor of Defence Studies Adam Chapnick, Asa McKercher, Assistant Professor of History Asa McKercher, 2024 The definitive history of Canadian foreign policy since the 1930s *Canada First Not Canada Alone* examines how successive prime ministers have promoted Canada's national interests in a world that has grown increasingly complex and interconnected Case studies focused on environmental reform Indigenous peoples trade hostage diplomacy and wartime strategy illustrate the breadth of issues that shape Canada's global realm Drawing from extensive primary and secondary research Adam Chapnick and Asa McKercher offer a fresh take on how Canada positions itself in the world *Crerar's Lieutenants* Geoffrey Hayes, 2017-07-12 In 1943 General Harry Crerar penned a memorandum in which he noted that there was still much confusion as to what constitutes an Officer His words reflected the army's preoccupation with creating an ideal officer who would not only meet the immediate demands of war but also be able to conform to notions of social class and masculinity Drawing on a wide range of sources and exploring the issue of leadership through new lenses this book looks at how the army selected and trained its junior officers after 1939 to embody the new ideal It finds that these young men through the mentors they copied the correspondence they left even the songs they sang practised a temperate heroism that distinguished them from the idealized heroic visions of officership from the First World War Fascinating and highly original
