Bringing God To Earth:

Bringing Heaven to Earth Josh Ross, Jonathan Storment, 2015 You Can Help Bring Heaven to Earth God so loved the world and he still does He values his creation too much to destroy it If you know where to look you can see that the coming of a new heaven and a new earth already has begun Life on earth is renewed every time you live out Jesus s prayer that God s ways will be followed on earth The work of God s Kingdom involves restoring what has been broken This includes people unjust systems relationships anything that has been separated from God and needs to be healed reconciled and set right This is how heaven collides with earth not following fiery destruction but in the power of restoring to life everything that God created What you believe about God s plan for humanity and for his creation determines how you will invest your life God calls all of us to this renewing work You can help bring heaven to earth starting today *God's Holy Plan to Save Earth* Carol Aubuchon, 2008-01-07 The following message was written for you by God This is God Creator of all Heaven and Earth I give this message for you as well as all thus written of Our novel in place I first wish to tell My children that this book is not part of fictional mind The lessons within this novel are true presents of faith given of you through My child of earth to present My thoughts of this Holy Plan Should you be remiss and think otherwise I will bring suffering of mind around earth through her travel of your countries to impress upon your minds how real this message will be taken by My children No one will know when I choose this form of event to broadcast My will of your thoughts given Me But many will fear Our course of action taken when this begins Now I say those of you who know Me will give Me heed of their time and give My daughter just love of her as she brings Our word and direction to you God has chosen to give earth a chance to change what is written in the Bible about the end of the world This Plan is Gods Holy way of letting everyone on earth know that through Him all eternity can change God has no choice but to give love freely to all who He created This is how Our Heavenly Father has graced us since the beginning of time Openly and without grudge of those who have moved against His will for their lives Welcome God into your life for a few hours while you read His Holy terms and conditions regarding this Plan Be as open minded as you think someone else should be to your ideas and allow Our Master Being to invite you into His mind for a change See what God thinks about all the changes mankind has made to confront Satan on his own and how much stronger Our fight against evil would be if we only let Our Father help us All earth is in turmoil presently and many people have given God prayers to ask for His help We have never learned the correct manner to pray of Our Heavenly Father who justifies our selfish prayer by allowing some correction made us However now God wants us to learn the correct terms of Holy Prayer to His being We need not spend hours in prayer to get what we need to sustain life here on earth But we need correct manner and guidance from God to know how to live each day according to His plan of our life Never before in the history of earth has Our LORD come to us to ask us to give His Soul Peace But today with the publishing of this Novel of Main Events God is changing the way He treats mankind for all time We have never been asked by Our Creator to give Him this much attention before God is

now within moments of ending earth of Evil due to Satan and his fellow angels who are tormenting human beings to show their revenge on God for sending them from Heaven Our Father in Heaven is now creating a new world for us where love is prevalent above all else done We need to come to God our life planner for details of the way we need to conduct ourselves daily Should this plan fail and we not live up to the course His plan draws out for us within the next few short years destruction of earth will begin God is asking all mankind to adhere to this plan regardless of your religion background country laws or efforts forced against you This is how earth will replace pain in His soul with the love His time spent with us has greatly deserved Mankind has not given their Heavenly Father love completely as was His will when creating us God created man to show Him honor and give love back to His being Every time man touches against the will of Satan in the presence of The Father it brings excruciating pain of remorse to His being Time now has changed for God is no longer able to withstand our pained attempts of His form He sees us fall into traps set by Satan with no knowledge of this invisible beast of prey Now God is on the at **Earth To God - The New Stewardship** David Bastian Marshall,2023-03-27 The conflict between Religion and Science escalates to the Eco world Evidence of climate issues accumulates yet political forces continue to ignore Earth s warning signs How can Climate Specialists and other scientists convince the inhabitants of this world that we each must take deliberate action to heal our planet and its environment We cannot rely on government participation and funding especially from the countries where their economy is tightly coupled with fossil fuel production and consumption Johann covertly attends a climate summit in France and he quickly attracts the attention of several of the attendees who are intrigued by his point of view of Earth However unexpected circumstances detain him in Paris Johann s quest to become a climate specialist is delayed and redirected Meanwhile his security business begins to flourish back home in mid state New York His intellectual team begins to make progress with their New Stewardship concept Though Johann was detained in France for two years he and his team are making substantial progress with their quest to influence people to heal Earth
