AND ARAB RULE
1920–1925**

The Sherifian Solution

TIMOTHY J. PARIS
Foreword by Sir Roger Tomkys

Britain The Hashemites And Arab Rule 1920 1925

O García

Britain The Hashemites And Arab Rule 1920 1925:

Britain, the Hashemites, and Arab Rule, 1920-1925 Timothy J. Paris, 2003 Timothy Paris examines Winston Churchill's involvement in the struggle for power in a number of Middle Eastern countries between 1920 and 1925 His study traces the development of the Sherifian policy a policy that was devised by the British The Hijaz Malik Dahlan, 2018-08-01 Dahlan offers an alternative vision of Islamic governance through the history and promise of the Hijaz the first state of Islam The Hijaz in the west of present day Saudi Arabia was the first Islamic state in Mecca and Medina This new interpretative history offers a fresh vision of Islamic governance and law as a positive force for political reform in the Middle East and beyond Applying key Islamic principles of public good to contemporary life Malik Dahlan challenges two dominant narratives He reclaims the development of Islamic statecraft as the wellspring of collective identity and statesmanship in the Arab world simultaneously influenced and disrupted by Westphalian statehood models and Enlightenment notions of self determination He equally rejects the appropriation of Islamic governance and the Caliphate concept by both the post modern non territorial Al Qaeda and the neo medievalist ISIS Celebrating the history and untapped potential of a region where Arab leaders built the ideological foundations of an emerging polity The Hijaz is a compelling alternative analysis of governance in the Arabian Peninsula and the global Islamic community and of its interaction with the wider world Western Imperialism in the Middle East 1914-1958 D. K. Fieldhouse, 2006-04-06 The term Fertile Crescent is commonly used as shorthand for the group of territories extending around the Rivers Tigris and Euphrates Here it is assumed to consist of Syria Lebanon Jordan Iraq and Palestine Much has been written on the history of these countries which were taken from the Ottoman empire after 1918 and became Mandates under the League of Nations For the most part the histories of these countries have been handled either individually or as part of the history of Britain or France In the first instance the emphasis has normally been on the development of nationalism and local resistance to alien control in a particular territory leading to the modern successor state In the second most studies have concentrated separately on how either France or Britain handled the great problems they inherited seldom comparing their strategies The aim of this book is to see the region as a whole and from both the European and indigenous points of view The central argument is that the mandate system failed in its stated purpose of establishing stable democratic states out of what had been provinces or parts of provinces within the Ottoman empire Rather it generated basically unstable polities and in the special case of Palestine one totally unresolved and possibly unsolvable conflict The result was to leave the Middle East as perhaps the most volatile part of the world in the later twentieth century and beyond The main purpose of the book is to examine why this was so **The Hashemites** Robert McNamara, 2010-09-07 The story of the Arab Revolt and the Hashemite princes who led it during the First World War is inextricably linked in modern eyes to the legend of Lawrence of Arabia as portrayed in David Lean's 1962 film But behind this romantic image lies a harsher reality of wartime expediency double dealing and dynastic ambition which shaped the modern Middle East and laid

the foundations of many of the conflicts that rack the region to this day Arab nationalists claim that British instigation for the Arab Revolt against the Ottoman Empire was a commitment to independence for the Arab people but in this book Robert McNamara shows how the British cultivated the Hashemite Sherifs of Mecca more as an alternative focus during the First World War for Muslim loyalty from the Ottoman Sultan who as Caliph had declared a jihad against the Allies when the Turks joined the Central Powers than a leader of an independent and united Arabia At the same time the Sykes Picot Agreement divided up the Middle East between British and French spheres of influence The sense of betrayal that this caused has coloured Arab nationalists views of the West ever since The main countries of the Middle East Jordan Syria and Iraq are all the creations of the post First World War settlement worked out at the Paris Peace Conference The story of the Hashemite dynasty at the Paris Peace Conference is the story of the birth of the modern history of a region that is now more than ever at the centre of world affairs

The British Empire and the Hajj John Slight,2015-09-21 The British Empire at its height governed more than half the world s Muslims It was a political imperative for the Empire to present itself to Muslims as a friend and protector to take seriously what one scholar called its role as the greatest Mohamedan power in the world Few tasks were more important than engagement with the pilgrimage to Mecca Every year tens of thousands of Muslims set out for Mecca from imperial territories throughout Africa the Middle East and Asia from the Atlantic Ocean to the South China Sea Men and women representing all economic classes and scores of ethnic and linguistic groups made extraordinary journeys across waterways deserts and savannahs creating huge challenges for officials charged with the administration of these pilgrims They had to balance the religious obligation to travel against the desire to control the pilgrims movements and they became responsible for the care of those who ran out of money John Slight traces the Empire s complex interactions with the Hajj from the 1860s when an outbreak of cholera led Britain to engage reluctantly in medical regulation of pilgrims to the Suez Crisis of 1956 The story draws on a varied cast of characters Richard Burton Thomas Cook the Begums of Bhopal Lawrence of Arabia and frontline imperial officials many of them Muslim and gives voice throughout to the pilgrims themselves The British Empire and the Hajj is a crucial resource for understanding how this episode in imperial history was experienced by rulers and ruled alike

Islam and the European Empires David Motadel,2014 The first comparative account of the engagement of all major European empires with Islam in the eighteenth and nineteenth centuries exploring an array of themes ranging from the accommodation of Islam under imperial rule to Islamic anti colonial resistance and contributing to our understanding of religion and power in the modern world

Railways and International Politics Thomas G. Otte,Keith Neilson,2006 This new collection focuses on its international political and strategic dimensions from the 1860s to the 1930s It examines them as objects of the Great Powers political and economic rivalries and as tools of power projection strategic mobilization and imperial defence

Encyclopedia of Western Colonialism Since 1450: A-E Thomas Benjamin,2007 Provides students and researchers with a much needed comprehensive resource on the subject of colonialism

and expansion From a global perspective the set traces many facets of colonial growth and imperialism and much more

Encyclopedia of the Modern Middle East & North Africa: D-K Philip Mattar,2004 Contains entries that provide information about significant people places and events in the history of the Middle East and North Africa since 1800 arranged alphabetically from Dabbagh to Kuwait University [The Oxford Encyclopedia of the Modern World](#) ,2008 The Encyclopedia of the Modern World delves into the period from 1750 to the present providing special attention to social economic cultural and political topics applicable to the time The breadth of knowledge offered within this multivolume set is astounding with features spanning articles on countries regions and ethnic groups themes involving social history demography family life politics economics religion thought education science and technology and culture events such as major wars and extensive coverage of the United States Detailed articles cover not only the major facts but the interpretations as well and are written for readers who are not specialists in the particular area Enriched with over 800 halftones and 50 maps this reference work is essential for any scholar general reader collector or curator interested in this rich and varied time in history Through its fluent global coverage The Encyclopedia of Modern World provides information about and interpretation of major developments across particular regionsboth salient events and regional perspectives on common themes such as politics demography social class and gender Readers can explore topics that have global implications such as migration childhood and foods topics that can be viewed through a combination of global patterns and key comparisons Entries also shed light on standard geographic and ethnic units such as Scandinavia Korea or the Gypsies in the modern period The Encyclopedia presents unprecedented coverage of global processes and institutions themselves including the International Red Cross and the League of Nations Publisher [Bulletin of the Royal Institute for Inter-Faith Studies](#) ,2004 **Saudi Arabia and the Gulf Arab States Today: K-Z** Sebastian Maisel,John A. Shoup,2009 Familiarizes readers with the Gulf region and Saudi Arabia Bahrain Dubai the UAE Kuwait Oman Yemen and Qatar Includes articles on the land people religion culture and traditions institutions economy and much more [Journal of Palestine Studies](#) ,2007 A quarterly on Palestinian affairs and the Arab Israeli conflict [The Muslim World Book Review](#) ,2003 **Yet More Adventures with Britannia** William Roger Louis,2005-07-22 Here is a colorful collection of writings by well known scholars and critics on modern Britain s literature and history From British personalities politics and culture to Britain s interaction with other societies the subjects are wide ranging and sometimes surprising Niall Ferguson examines the origins of the first World War Avi Shlaim reassesses the Balfour Declaration Geoffrey Wheatcroft writes about Evelyn Waugh David Cannadine revisits C P Snow s Two Cultures and much more [The American Journal of Islamic Social Sciences](#) ,2007 [The Economist](#) ,2003 **Desert Hell** Charles Townshend,2011-03-31 Modern Iraq was created deliberately by the British over the seven years following their first invasion in 1914 Charles Townshend provides an informative and compelling explanation of that conquest and examines how an initially cautious strategic invasion by British forces led to imperial expansion on a

vast scale *From Coexistence to Conquest* Victor Kattan, 2009-07-15 *From Coexistence to Conquest* seeks to explain how the Arab Israeli conflict developed by looking beyond strict legalism to the men behind the policies adopted by the Great Powers at the dawn of the twentieth century. It controversially argues that Zionism was adopted by the British Government in its 1917 Balfour Declaration primarily as an immigration device and that it can be traced back to the 1903 Royal Commission on Alien Immigration and the Alien's Act 1905. The book places the violent reaction of the Palestine Arabs to mass Jewish immigration in the context of Zionism, highlighting the findings of several British commissions of inquiry which recommended that Britain abandon its policy. The book also revisits the controversies over the question of self-determination and the partition of Palestine. The Chapter on the 1948 conflict seeks to update international lawyers on the scholarship of Israel's new historians and reproduces some of the horrific accounts of the atrocities that took place. The penultimate chapter argues that Israel was created through an act of conquest or subjugation. The book concludes with a sobering analysis of the conflict, arguing that neither Jews nor Arabs were to blame for starting it. **Index to Jewish Periodicals**, 2005. An author and subject index to selected and American Anglo Jewish journals of general and scholarly interests.

Eventually, you will completely discover a new experience and triumph by spending more cash. still when? accomplish you understand that you require to get those every needs considering having significantly cash?
