Westland and the British Helicopter Industry, 1945-1960 Matthew R.H. Uttley,2014-05-22 This study explains how Westland dominated British helicopter production and why government funding and support failed to generate competitive all British alternatives In doing so the book evaluates broader historiographic assumptions about the purported failure of british aircraft procurement during the early post war period and considers the scope and limitations of licensed production as a government mandated procurement strategy

Defence Science and Technology Richard Coopey,Matthew Uttley,Graham Spinardi,2027-01-01 *Defence Science and Technology* 1993 discusses the key questions surrounding defence and civil industry highlighting the complex nature of this relationship and the equally complex determinants of corporate government policy in this area Defence related industries are central to the economies of most of the advanced nations with defence and civil industrial bases often inextricably linked
