

THE WELLSOME SERIES IN THE HISTORY OF MEDICINE

BRITISH MEDICINE IN AN AGE OF REFORM

EDITED BY
ROBERT F. FRENCHE
AND ANDREW WELLS

British Medicine In An Age Of Reform

Tobias Bleicker

British Medicine In An Age Of Reform:

British Medicine in an Age of Reform Roger French, Andrew Wear, 2005-08-19 British Medicine in an Age of Reform charts the nature and dynamics of the radical changes which occurred between 1780 and 1850 a great turning point in British medicine Medicine was reformed just as politics was being reformed It became a recognizable profession and at the same time there was an impetus from within to base the subject upon science By the end of the 1850 s medicine had become perceptibly modern Contributions by acknowledged experts cover subjects from Apothecaries Act of 1815 to forensic medicine and the effect of scientific medicine on the doctor patient relationship Fascinating and detailed British Medicine in an Age of Reform provides a rich source of information for students of social history the history of medicine and science and for those working in the medical profession

British medicine in an age of reform R. French, 1991-03-10 Between 1780 and 1850 was one of the great turning points in British medicine Medicine was reformed just as politics was being reformed and many of the characteristics of modern medicine emerged British Medicine in an Age of Reform charts the nature and dynamics of the radical changes which occurred in this period With the help of the state medicine became a recognizable profession At the same time there was a push from within medicine to base the subject on science and to develop a career structure that did not depend upon social connections but instead worked as a meritocracy By the end of the 1850s medicine had become perceptibly modern It lacked only germ theory which was to follow a few years later The details of the Apothecaries Act the use of the rhetoric of science for the purpose of medical reform and the ways in which post revolutionary French medicine was used as an example in British reforms are documented by the contributors Other contributions include discussions of forensic medicine as a paradigm of reform the teaching of chemistry to medical students and how scientific medicine affected the doctor patient relationship

Emotions and Surgery in Britain, 1793-1912

Michael Brown, 2022-10-20 An innovative analytical account of the changing place of emotions in British surgery in the long nineteenth century

Scientific Advice to the Nineteenth-Century British State Roland Jackson, 2023-11-14 In twenty first century Britain scientific advice to government is highly organized integrated across government departments and led by a chief scientific adviser who reports directly to the prime minister But at the end of the eighteenth century when Roland Jackson s account begins things were very different With this book Jackson turns his attention to the men of science of the day who derived their knowledge of the natural world from experience observation and experiment focusing on the essential role they played in proffering scientific advice to the state and the impact of that advice on public policy At a time that witnessed huge scientific advances and vast industrial development and as the British state sought to respond to societal economic and environmental challenges practitioners of science engineering and medicine were drawn into close involvement with politicians Jackson explores the contributions of these emerging experts the motivations behind their involvement the forces that shaped this new system of advice and the legacy it left behind His book provides the first detailed

analysis of the provision of scientific engineering and medical advice to the nineteenth century British government parliament the civil service and the military

The Annotated Pride and Prejudice Jane Austen, David M. Shapard, 2012-11-13 The first fully annotated edition of Jane Austen's beloved classic presenting the complete text alongside comprehensive detailed annotations now revised and expanded with hundreds of new notes and illustrations A sheer delight for Jane Austen fans The Annotated Pride and Prejudice contains the complete text of Pride and Prejudice with thousands of annotations including Explanations of historical context Rules of etiquette class differences the position of women legal and economic realities leisure activities and more Citations from Austen's life letters and other writings Parallels between the novel and Austen's experience are revealed along with writings that illuminate her beliefs and opinions Definitions and clarifications Archaic words words still in use whose meanings have changed and obscure passages are explained Literary comments and analyses Insightful notes highlight Austen's artistry and point out the subtle ways she develops her characters and themes Maps and illustrations See the places and objects mentioned in the novel An introduction a bibliography and a detailed chronology of events Of course one can enjoy the novel without knowing the precise definition of a gentleman or what it signifies that a character drives a coach rather than a hack chaise or the rules governing social interaction at a ball but readers of The Annotated Pride and Prejudice will find that these kinds of details add immeasurably to understanding and enjoying the intricate psychological interplay of Austen's immortal characters

Customers and Patrons of the Mad-Trade Jonathan Andrews, Andrew Scull, 2003-01-16 His case book testifies to the scope and prosperity of Monro's trade in lunacy and Jonathan Andrews and Andrew Scull brilliantly exploit the opportunity it affords to look inside the mad business

Spas in Britain and in France in the Eighteenth and Nineteenth Centuries Annick Cossic-Péricarpin, Annick Cossic, Patrick

Galliou,2006 Originating from the age old belief that water springing from the depths was endowed with healing properties spas which first blossomed in the West during the heyday of the Roman Empire again gained importance and fame in the 18th and 19th centuries as the increasing medicalisation of thermal water drew crowds to the best sited or best organised watering places of European economically developed countries As in most cases none but the social elites could afford to spend time and money in such spots investment followed both in terms of architecture and of leisure since visitors after having been convinced by their physicians high society journals or word of mouth had to be kept happy as well as made fit Simultaneously competition grew as spas vied for patronage both within national borders and across Europe the alleged quality of their waters being flaunted in the jingoistic battles of words which served as forerunners to the grislier actions of WW1 Being the major lieus of high society leisure and pleasure spas underwent the same decline as the prewar moneyed classes which patronized them and lost ground both to more exotic destinations and to seaside resorts which likewise promoted health and well being but in a less elitist environment and at a cheaper price Thalassotherapy grafting on the success of the latter and making much of the relaxation and physical fitness derived from natural elements such as seawater or seaweeds is the latest avatar of that long story which the papers of the conference held in Brest France in May 2005 here purport to tell

Isis Cumulative Bibliography 1986-1995: Subjects. Time periods: Antiquity through 18th century

John Neu,1997 **Aneignung und Abwehr** Rudolf Muhs,Johannes Paulmann,Willibald Steinmetz,1998 **Old Age in Australia** Pat Jalland,2015-01-05 The Australian population is rapidly getting older demanding important policy and service decisions This groundbreaking book is the first to explore a 100 year history of older people in Australia from 1880 to 1980 Over that period the aged suffered as forgotten people until 1945 when there was the promise of a new deal for the elderly Major themes examined include family histories of aged care poverty social and medical policy gender the impact of wars and economic depression housing nursing homes and the retirement debates Old Age in Australia provides essential historical context for current discussions about the implications of ageing in Australia
