British Political Opinion 1937-2000

Kevin Jefferys

British Political Opinion 19372000:

Political Choice in Britain Harold D. Clarke, David Sanders, Marianne C. Stewart, Paul Whiteley, 2004-03-18 Why do people vote as they do Indeed why do they vote at all What do they think about elections political parties and democracy This important book by four leading scholars addresses these questions Using a wealth of data from the 1964 2001 British election studies monthly Gallup polls and numerous other national surveys conducted over the past four decades the authors test the explanatory power of rival sociological and individual rationality models of turnout and party choice Analyses of party choice endorse a valence politics model that challenges the long dominant social class model British voters make their political choices by evaluating the performance of parties and party leaders in economic and other important policy areas Although these evaluations may be products of events and conditions that occur long before an election campaign officially begins parties national and local campaign activities are also influential Consistent with the valence politics model partisan attachments display individual and aggregate level dynamics that reflect ongoing judgements about the managerial abilities of parties and their leaders A general incentives model provides the best explanation of turnout Calculations of the costs and influence discounted benefits of voting and sense of civic duty are key variables in this model Significantly the decline in turnout in recent elections does not reflect more general negative trends in public attitudes about the political system Voters judge the performance of British democracy in much the same way as they evaluate its parties and politicians Support at all levels of the system is a renewable resource but one that must be renewed A command of theory data models and method ensure that Political Choice in Britain will be a major resource for all those interested in elections voting and democracy

Public Opinion and the End of Appeasement in Britain and France Daniel Huckler, 2016-04-15 The 1930s policy of appeasement is still fiercely debated by historians critics and contemporary political commentators more than 70 years after the signing of the 1938 Munich Agreement What is less well understood however is the role of public opinion on the formation of British and French policy in the period between Munich and the outbreak of the Second World War not necessarily what public opinion was but how it was perceived to be by those in power and how this contributed to the policymaking process It therefore fills a considerable gap in an otherwise vast literature seeking to ascertain the extent to which public opinion can be said to have influenced the direction of foreign policy in a crucial juncture of British and French diplomatic history Employing an innovative and unique methodological framework the author distinguishes between two categories of representation firstly reactive representations of opinion the immediate and spontaneous reactions of the public to circumstances and events as they occur and secondly residual representations which can be defined as the remnants of previous memories and experiences the more general tendencies of opinion considered characteristic of previous years even previous decades It is argued that the French government of douard Daladier was consistently more attuned to the evolution of reactive representations than the British government of Neville Chamberlain and consequently it was the French rather

than the British who first pursued a firmer policy towards the European dictatorships This comparative approach reveals a hitherto hidden facet of the diplomatic prelude to the Second World War that British policy towards France and French policy towards Britain were influenced by their respective perceptions of public opinion in the other country A sophisticated analysis of a crucial period in international history this book will be essential reading for scholars of the origins of World War II the political scenes of late 1930s Britain and France and the study of public opinion and its effects on policy

The Conservative Party and European Integration Since 1945 N.J. Crowson,2006-12-05 This volume provides an up to date and comprehensive introduction to British policy in Europe By exploring the schisms within the party over Europe through primary source based history and theoretical discourses of political science N J Crowson gives the reader the best sense of understanding of how and why the Conservative party s policy attitudes to European integration have evolved The Conservative Party and European Integration since 1945 adopts a thematic line based around two chronological periods 1945 75 and 1975 2006 and uses different methodological approaches It explores the shifting stances amongst Conservatives within an economic political and international context as the party adjusted to the decline of Britain s world role and the loss of empire Crowson analyzes Britain s role and relationship with Europe together with the study of the Conservative Party and deals with economic commercial and monetary issues successfully bridging a serious gap in any discussion of the UK s relations with the European Union and appreciation of the political world in which Conservative European policy has been framed and pursued since 1945 This book is recommended for background reading in undergraduate courses in British politics and European history

Information Sources of Political Science Stephen W. Green,Douglas J. Ernest,2005-07-15 A thoroughly revised and updated new edition of the world s leading comprehensive bibliography of American and international politics The eagerly anticipated new edition of the widely acclaimed *Information Sources of Political Science* is the most comprehensive English language political bibliography available offering the surest way for students and researchers to get straight to the information they need Like no other volume it provides a fully rounded view of the field both in the United States and internationally including relevant works in history economics sociology and education Its 2 500 entries cover a wide variety of source types indexing and abstracting services major bibliographical tools encyclopedias dictionaries handbooks directories statistical compilations and more In addition this edition is the first to feature substantial coverage of electronic resources both databases and Internet sites Each source receives its own annotation with entries grouped in categories to bring together like works for easy comparison This work is a cornerstone reference for academic and public libraries

'Guilty Women', Foreign Policy, and Appeasement in Inter-War Britain Julie V. Gottlieb,2016-02-07 British women were deeply invested in foreign policy between the wars This study casts new light on the turn to international affairs in feminist politics the gendered representation and experience of the Munich Crisis and the profound impression made by female public opinion on PM Neville Chamberlain in his negotiations with the dictators

The Politics and

Economics of Decolonization in Africa Andrew Cohen,2017-05-26 The slow collapse of the European colonial empires after 1945 provides one of the great turning points of twentieth century history With the loss of India however the British under Harold Macmillan attempted to enforce a second colonial occupation supporting the efforts of Sir Andrew Cohen of the Colonial Office to create a Central African Federation Drawing on newly released archival material *The Politics and Economics of Decolonization* offers a fresh examination of Britain's central African territories in the late colonial period and provides a detailed assessment of how events in Britain Africa and the UN shaped the process of decolonization The author situates the Central African Federation which consisted of modern day Zambia Zimbabwe and Malawi in its wider international context shedding light on the Federation's complex relationships with South Africa with US Presidents Dwight Eisenhower and John F Kennedy and with the expanding United Nations The result is an important history of the last days of the British Empire and the beginnings of a more independent African continent [Reading Primary Sources](#) Miriam Dobson,Benjamin Ziemann,2008-09-03 How does the historian approach primary sources How do interpretations differ How can they be used to write history *Reading Primary Sources* goes a long way to providing answers for these questions In the first part of this unique volume the chapters give an overview of both traditional and new methodological approaches to the use of sources analyzing the way that these have changed over time The second part gives an overview of twelve different types of written sources including letters opinion polls surveillance reports diaries novels newspapers and dreams taking into account the huge expansion in the range of written primary sources used by historians over the last thirty years This book is an up to date introduction into the historical context of these different genres the ways they should be read the possible insights and results these sources offer and the pitfalls of their interpretation All of the chapters push the reader beyond a conventional understanding of source texts as mere reflections of a given reality instead fostering an understanding of how each of the various genres has to be seen as a medium in its own right Taking examples of sources from around the globe and also including a student friendly further reading section this is the perfect companion for every student of history who wants to engage with sources *Labour's Second Landslide* Andrew Geddes,Jonathan Tonge,2002 Migration is at the heart of the contemporary EU This book addresses the two key questions that underpin EU responses to migration policy Firstly the efforts to control immigration and secondly the chances for inclusion of migrants and their descendants Andrew Geddes provides detailed analysis of the EU's free movement framework of the development of co operation on immigration and asylum policy of the mobilisation by groups seeking to represent migrant's interests in EU decision making and of the interface between migration welfare and the EU's social dimension This innovative and original analysis of the Europeanisation of immigration policy is essential reading for scholars of European integration the politics of immigration and the prospects for social inclusion and citizenship at EU level **The Gallup Poll Cumulative Index** Alec M. Gallup,Frank Newport,2008-12-16 The Gallup Poll is the most comprehensive single source of American public opinion For

well over 60 years the Gallup Organization has recorded the attitudes beliefs and values of Americans The Gallup Poll is the only single work that captures the constantly shifting opinions and perceptions of Americans Now available in this one volume is an invaluable reference tool to the 1998 2007 volumes of the Gallup Poll The Cumulative Index allows researchers easy access to the results of the polls conducted between 1998 and 2007 All libraries particularly those who own all or a portion of the annual editions will want to add this important resource to their collection The Management of the British Economy, 1945-2001 N. W. C. Woodward, 2004 This volume provides an overview of economic management particularly financial management and addresses how it has changed and why it has not always been successful It examines the actual policies that were introduced the problems that various governments faced in implementing them and much more Mr. Churchill's Profession Peter Clarke, 2012-05-22 Looks at the Prime Minister's writing career over the course of his life culminating in his four volume History of the English Speaking Peoples **Elections and Voters in Britain** D. T. Denver, 2007 This volume incorporates material from the 2005 general election and discusses the electoral research It provides an account of the development of electoral politics in Britain over the post war period using the British Election Study BES survey data Using and Abusing Science Cyril Besson, Véronique Molinari, 2016-05-11 Over the last two centuries as politics has evolved from the status of amateurship to that of profession political discourse together with its practices and their validity has been increasingly subject to questioning Politicians as illustrated by the low turnouts that have recently characterised general elections and a general lack of interest in politics throughout Western countries enjoy less than ever the trust of the electorate and their discourse is now often criticised for being both hollow and untrustworthy Conversely by evolving from the status of enlightened amateur to that of expert the figure of the scientist has over recent centuries gained credibility with the general public Even though the traditional view of science as the expression of reality has regularly been challenged science continues to be held in high regard and is believed to provide a reliable form of knowledge Summoning science has thus often been a way in everyday life advertising and the popular media to lend authority to a discourse and imply that one's claims are beyond dispute That politicians should have occasionally been tempted to do the same and make up for the deficit of legitimacy of their discourse through the instrumentalisation of scientific arguments or participation in contemporaneous debates on scientific issues is therefore not surprising The issue at stake in this volume is to examine how and to what extent this process may have been taking place in the past three centuries In order to accomplish this the contributions cover various fields of expertise ranging from the hard sciences to more controversial types of science investigating the intricate relations of science and political discourse **Historical Dictionary of the Contemporary United Kingdom** Kenneth J. Panton, Keith A. Cowlard, 2008-03-11 The last quarter of a century from 1979 to 2007 has been eventful for the United Kingdom of Great Britain and Northern Ireland The year 1979 brought major changes to the United Kingdom in particular when the political climate altered radically with the coming to

power of the Conservatives under Margaret Thatcher following the disastrous Winter of Discontent which was characterized by economic woes and labor unrest In 1997 the political climate shifted once again when the New Labour party won a landslide victory and the government was run by the left leaning centrist Tony Blair The period witnessed conflicts raging both at home and abroad it saw the premature death of a princess and more positively the reemergence of the UK economy The Historical Dictionary of Contemporary United Kingdom seeks to present the events people and trends of the last 28 years and to help explain the current state of the United Kingdom Knowledge of this is vital to understanding the society politics personalities and actions that are shaping the country right now This is done through a chronology dating from 1979 to the present an introductory essay a bibliography and over 700 cross referenced dictionary entries on significant persons places events institutions and organizations as well as the political economic social cultural and religious facets *Britain at the Polls 2005* John Bartle,Anthony King,2005-11-22 Britain at the Polls 2005 continues the tradition of previous editions by providing incisive commentary on the 2005 general elections in the United Kingdom John Bartle joins Anthony King and a group of eminent political experts to provide a measured analysis of the key issues and events that affected the election results Contributors examine the behavior and performance of each of the main political parties look at the impact of regional political parties in the UK assess the role of the media and analyze how events on the international stage such as Iraq affected the election results The result is an authoritative and readable guide to the intricacies and outcomes of the 2005 election **Politics and the People** Kevin Jefferys,2007 Traces the history of modern British democracy through the eyes of its people Through the author s analysis of how why and when the British public have voted this work offers fresh insight into our relationship with politicians demanding a rethink of our political history **Britain Votes, 2001** Pippa Norris,2001 Britain Votes 2001 provides a stimulating timely and authoratative analysis of the campaign and results in the 2001 British General Election Part I provides insights into the strategies and tactics adopted by the major parties news coverage by television and newspapers the digital campaign on the Internet patterns of election spending and the dynamics of the opinion polls leading up to polling day Part II slices and dissects the outcome including the results in Scotland Wales and Northern Ireland the pattern of voting by race and gender levels of turnout economic voting the workings of the electoral system and the outcome for the new Parliament Produced by a well known team of experts on British elections and voting behaviour the book is written in a vivid and accessible style The book will be essential reading for all students scholars and practitioners of British elections and voting behaviour party politics public opinion political behaviour and political sociology *The Handbook of West European Pension Politics* Ellen, M. Immergut,Karen, M. Anderson,Isabelle Schulze,2007-01-04 Comparative analysis of pension systems in the EU 15 countries and Switzerland Gives an overview of the political institutions and party systems and traces the proposed and enacted pension reforms since the 1980s **Political Science Quarterly** Munroe Smith,Thomas Reed Powell,Parker Thomas Moon,Henry Raymond Mussey,Robert Livingston

Schuyler, Columbia University. Faculty of Political Science, 2001 *The Last Thousand Days of the British Empire* Peter
Clarke, 2008-05-13 Discusses the decline in the British empire's power after the second World War and the political issues
behind the rise of the United States as a world superpower

British Political Opinion 19372000 Introduction

In the digital age, access to information has become easier than ever before. The ability to download British Political Opinion 19372000 has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download British Political Opinion 19372000 has opened up a world of possibilities. Downloading British Political Opinion 19372000 provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading British Political Opinion 19372000 has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download British Political Opinion 19372000. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading British Political Opinion 19372000. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading British Political Opinion 19372000, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal

information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download British Political Opinion 19372000 has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About British Political Opinion 19372000 Books

What is a British Political Opinion 19372000 PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a British Political Opinion 19372000 PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a British Political Opinion 19372000 PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a British Political Opinion 19372000 PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a British Political Opinion 19372000 PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by

selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
