survey report is an essential reading for anyone seeking a guide to the topical issues and debates of today or engaged in contemporary social and political research **British Public Opinion and Party Policy Towards European Integration, 1973-2016** Stuart Smedley,2025-03-18 This book provides the first detailed historical account of British public opinion and party policy towards European integration from 1973 the year in which the UK joined the European Community to 2016 the year in which the UK voted to leave the European Union It takes a thematic approach towards this subject exploring party policy and public opinion towards significant developments in the European integration process during the period covered These include moves towards deeper and flexible integration economic and monetary union the Single Market enlargement and foreign and defence policy cooperation The author assesses the nature of British public opinion towards these developments some of which Britain's government and main political parties supported and others which they opposed and analyses the extent to which party policies reflected public opinion **British Social Attitudes** Alison Park,2005-11-18 the annual survey of British social attitudes a document arguably more significant than the urban and rural white papers rolled together New Start fascinating snapshot The Guardian a highly respected annual study Daily Mail an indispensable tool not just for governments but also for modern citizens to understand their fellows and themselves better The Times Higher Education Supplement The British Social Attitudes survey series is carried out by Britain's largest independent social research institute the National Centre for Social Research It provides an indispensable guide to current political and social issues in contemporary Britain This the 22nd report describes the results of the most recent nation wide survey including analysis of the following areas Work life balance The NHS Education Pensions Europe The most comprehensive review of changing British social values available the British Social Attitudes survey report is an essential reading for anyone seeking a guide to the topical issues and debates of today or engaged in contemporary social and political research **The People** Selina Todd,2014-04-10 THE SUNDAY TIMES BESTSELLER There was nothing extraordinary about my childhood or background And yet I looked in vain for any aspect of my family's story when I went to university to read history and continued to search fruitlessly for it throughout the next decade Eventually I realised I would have to write this history myself What was it really like to live through the twentieth century In 1910 three quarters of the population were working class but their story has been ignored until now Based on the first person accounts of servants factory workers miners and housewives award winning historian Selina Todd reveals an unexpected Britain where cinema audiences shook their fists at footage of Winston Churchill communities supported strikers and where pools winners like Viv Nicholson refused to become respectable Charting the rise of the working class through two world wars to their fall in Thatcher's Britain and today Todd tells their story for the first time in their own words Uncovering a huge hidden swathe of Britain's past The People is the vivid history of a revolutionary century and the people who really made Britain great **The Canada Model and Post-Brexit EU Trade Relations** Nanette Neuwahl,Amy Verdun,2025-09-30 This book provides an overview of the

relationship between Canada and the European Union EU offering a comprehensive treatment of the Canada model frequently mentioned in the discussions surrounding Brexit Addressing the issues in three ways examining the economic relations between Canada and the EU comparing the essence of Canada's relationship to the EU with that of the United Kingdom UK post Brexit and considering the relations with their respective large neighbours this book offers a deeper understanding of what the Canada model really means Contributions from different disciplinary perspectives provide expert accessible coverage by analysing both the relationships between Canada and the EU and between the UK and its partners This book will be of key interest to scholars students and practitioners of EU politics British politics Canadian politics international trade comparative politics and international relations Personal Responsibility Alexander Brown,2009-09-30 Personal responsibility is now very much on the political agenda But what is personal responsibility Why do we care about it And what if anything should governments do to promote it This book explores the idea that individuals bear a special responsibility for the success or failure of their own lives looking at philosophical theories political ideologies and public opinion on the subject Alexander Brown lends support to a recent move in political philosophy to deal with real world problems and shows how philosophy can contribute to public democratic debate on pressing issues of personal responsibility Articulate provocative and stimulating this timely book will make a significant contribution to one of the most important debates of our time Towards a more equal society? John Hills, Tom Sefton, Kitty Stewart,2009-02-25 When New Labour came to power in 1997 its leaders asked for it to be judged after ten years on its success in making Britain a more equal society As it approaches the end of an unprecedented third term in office this book asks whether Britain has indeed moved in that direction The highly successful earlier volume A more equal society was described by Polly Toynbee as the LSE's mighty judgement on inequality Now this second volume by the same team of authors provides an independent assessment of the success or otherwise of New Labour's policies over a longer period It provides consideration by a range of expert authors of a broad set of indicators and policy areas affecting poverty inequality and social exclusion analysis of developments up to the third term on areas including income inequality education employment health inequalities neighbourhoods minority ethnic groups children and older people an assessment of outcomes a decade on asking whether policies stood up to the challenges and whether successful strategies have been sustained or have run out of steam chapters on migration social attitudes the devolved administrations the new Equality and Human Rights Commission and future pressures The book is essential reading for academic and student audiences with an interest in contemporary social policy as well as for all those seeking an objective account of Labour's achievements in power **Welfare Policy Under New Labour** Hugh Bochel, Andrew Defty,2007-01-03 Welfare reform is a central part of the modernisation programme adopted by the Labour Government since 1997 This book examines the role of Parliament in the formulation and scrutiny of welfare policy focusing in particular on how MPs and Peers view their influence on policy British Social Attitudes Alison Park, John Curtice, Katarina

Thomson, Miranda Phillips, Mark Johnson, Elizabeth Clery, 2009-02-24 *British Social Attitudes* remains a beacon of excellence. It has adapted to the times providing a rich and textured guide to who we think we are, what we think, and how that has changed. *Financial Times* an indispensable tool not just for governments but also for modern citizens to understand their fellows and themselves better. *The Times Higher Education Supplement* shows what the British people really think as opposed to what journalists and politicians like to pretend they think. John Pilger: The annual *British Social Attitudes* survey is carried out by Britain's largest independent social research organisation, the National Centre for Social Research. It provides an indispensable guide to political and social issues in contemporary Britain. This 24th Report summarises and interprets data from the most recent nationwide survey as well as drawing invaluable comparisons with the findings of previous years to provide a richer picture and deeper understanding of changing British social values. The *British Social Attitudes* survey report is essential reading for anyone seeking a guide to the topical issues and debates of today or engaged in contemporary social and political research.

,2007 **British Social Attitudes** Alison Park, John Curtice, Katarina Thomson, Lindsey Jarvis, Catherine Bromley, 2002-11-27 *The Rolls Royce of opinion surveys* *The Times* The indispensable annual *British Social Attitudes* survey compiles, describes and comments on a range of current social attitudes. The series charts changes in British social values with annual surveys carried out from a nationwide sample of around 3,500 people by the National Centre for Social Research's team of interviewers. The 19th Report summarises and interprets data from the most recent survey and makes comparisons with findings from previous years. *British Social Attitudes* Alison Park, Miranda Phillips, 2009-01-30 The annual *British Social Attitudes* survey is carried out by Britain's largest independent social research organization, the National Centre for Social Research. It provides an indispensable guide to political and social issues in contemporary Britain. This 25th Report summarises and interprets data from the most recent nationwide survey as well as drawing invaluable comparisons with the findings of previous years to provide a richer picture and deeper understanding of changing British social values.

Personal Provision of Retirement Income Gerard Hughes, Jim Stewart, 2009 In response to demographic change many countries in the European Union have reformed their pension systems During the last two decades personal pensions have been introduced in Belgium Denmark France Germany Ireland Italy Poland Sweden and the UK This book is a critical examination of the objectives of personal pensions in these countries and the use of tax incentives to encourage individuals to save for their retirement It also includes discussion on personal pensions in the United States The volume focuses on issues such as risk administrative expense and the role of tax allowances in encouraging personal pension provision Based on the evidence from these countries it is concluded that expectations relating to the take up of personal pensions have not been met and that EU countries should not rely on personal pensions to improve income adequacy at the lower end of the income distribution Academics and researchers teaching and studying employee benefits and pension costs particularly in countries that have recently reformed their pension systems will warmly welcome this book Government bodies involved in pension reform and European Commission institutions concerned with the evolution and problems with pension policy within the EU will also find this book an informative and invaluable read

Politics for a New Generation Nick Pearce, Julia Margo, 2007-05 To mark ten years since Labour's election the next generation of British and US political thinkers including MPs Ministers and policy specialists have come together to outline what the next phase of the progressive agenda should be and how it can be achieved Using evidence based research and the most promising new theories this collection of essays will consider the direction of progressive governance politics and policy in the next decade

British Social Attitudes Alison Park, John Curtice, Katarina Thomson, Catherine Bromley, Miranda Phillips, 2004 The 21st Report summarizes and interprets data from the most recent survey and makes comparisons with findings from previous years

The Student's Companion to Social Policy Pete Alcock, Margaret May, Karen Rowlingson, 2008-03-18 These essays convey the immediacy of social policy's intellectual and political engagements with the world and its practical applications in research and employment They also provide an overview of resources available to students

British Social Attitudes 28 Alison Park, Elizabeth Clery, John Curtice, Miranda Phillips, David Utting, 2012-03-21 The annual British Social Attitudes survey is carried out by Britain's largest independent social research organisation NatCen Social Research It provides an indispensable guide to political and social issues in contemporary Britain summarising and interpreting data from the most recent nationwide survey as well as drawing invaluable comparisons with the findings of previous years to provide a richer picture and deeper understanding of changing British social values The 28th Report sits on a cusp reflecting people's experiences of Britain under Labour but also informed by their hopes fears and expectations of life under the Coalition Areas covered include an analysis of Britain's democratic health as well as an exploration of views about key policy areas such as the NHS education transport and welfare It also examines the extent to which attitudes to the environment are changing over time as well as Britain's changing religious identity The British Social Attitudes survey report is essential reading for anyone seeking a guide to the topical

issues and debates of today or engaged in contemporary social and political research
