British Television Revealed An Economic Study:

The History of Broadcasting in the United Kingdom: Volume V: Competition Asa Briggs,1995-03-23 Part of a five volume history of the rise and development of broadcasting in the United Kingdom *Radio and Television: Supplement Two: 1982-1986* Peter K. Pringle,Helen E. Clinton,1989 Lists almost 1 000 English language books booklets and reports on radio and TV published between 1982 and 1986 Third in a series covering the period 1920 1986 it was preceded by two volumes compiled by the late William E McCavitt Entries are organized into six parts with many subdivisions *The Television Entrepreneurs* Raymond Boyle,Lisa W. Kelly,2016-03-03 With business seemingly everywhere on television from the risks of the retail and restaurant trade to pitching for investment or competing to become the next apprentice The Television Entrepreneurs draws upon popular business oriented shows such as The Apprentice and Dragons Den to explore the relationship between television and business Based on extensive interviews with key industry and business figures and drawing on new empirical research into audience perceptions of business this book examines our changing relationship with entrepreneurship and the role played by television in shaping our understanding of the world of business The book identifies the key structural shifts in both the television industry and the wider economy that account for these changing representations whilst examining the extent to which television s developing interest in business and entrepreneurial issues is simply a response to wider social and economic change in society Does a more commercial and competitive television marketplace for instance mean that the medium itself through a particular focus on drama entertainment and performance now plays a key role in re defining how society frames its engagements with business finance entrepreneurship risk and wealth creation Mapping the narratives of entrepreneurship constructed by television and analysing the context that produces them The Television Entrepreneurs investigates how the television audience engages with such programmes and the possible impact these may have on public understanding of the nature of business British Books in Print ,1985

The British Study of Politics in the Twentieth Century Jack Hayward,Brian Barry,Archie Brown,2003-05-01 The distinctive strength of political science in Britain is revealed in this indispensable guide to modern British scholarship in the field As well as charting the development of the discipline the essays examine the innovative contributions to the study of nationalism totalitarianism and authoritarianism and the influential British approach to international relations The fourteen distinguished authors have provided a major contribution to our understanding of the contemporary state of political science

The Television Entrepreneurs Ms Lisa W Kelly,Professor Raymond Boyle,2013-01-28 With business seemingly everywhere on television from the risks of the retail and restaurant trade to pitching for investment or competing to become the next apprentice The Television Entrepreneurs draws upon popular business oriented shows such as The Apprentice and Dragons Den to explore the relationship between television and business Based on extensive interviews with key industry and business figures and drawing on new empirical research into audience perceptions of business this book examines our

changing relationship with entrepreneurship and the role played by television in shaping our understanding of the world of business The book identifies the key structural shifts in both the television industry and the wider economy that account for these changing representations whilst examining the extent to which television's developing interest in business and entrepreneurial issues is simply a response to wider social and economic change in society Does a more commercial and competitive television marketplace for instance mean that the medium itself through a particular focus on drama entertainment and performance now plays a key role in re-defining how society frames its engagements with business finance entrepreneurship risk and wealth creation Mapping the narratives of entrepreneurship constructed by television and analysing the context that produces them The Television Entrepreneurs investigates how the television audience engages with such programmes and the possible impact these may have on public understanding of the nature of business
