British Tradition and Interior Design Claudia Piras, Bernhard Roetzel, 2008-02      British Tradition and Interior Design Claudia Piras, Bernhard Roetzel, 2005      **Domestic Interiors** James Ayres, 2003 In general householders took advantage of what was available nearby homes in the south east for example made use of the cast and wrought iron products of Kent and Sussex and those in Devon had locally made earthenware fire backs and fire dogs Ayres has assembled a mosaic that provides a vivid picture of the interiors of smaller domestic dwellings of the past Embellished with illustrations from early sources the author's own line drawings together with photographs of surviving interiors and their details the book provides evidence for the treatment of historic interiors and inspiration for schemes of decoration today **BOOK JACKET**      **Designing Liners** Anne Massey, 2020-11-29 Designing Liners A History of Interior Design Afloat covers the interior design of these floating palaces from the mid nineteenth century to the twenty first century In this new edition the design heritage of the ocean liner is also explored in this age of a growing holiday cruise market The book offers the first history and analysis of this highly significant aspect of the design of interiors which mirrors and reinforces cultural assumptions about national identity gender class and ethnicity The interiors of ocean liners reflect the changing hierarchies of society and shifting patterns of globalization The trajectory of the professionalization of interior design is the connecting narrative of the book from the local decorating firm to the internationally renowned architect It is an important addition to interior design research and takes this transitory building type as its subject This book provides the first survey of the transient history of interior design in relation to the development of passenger shipping The history of these great ship interiors is tracked from their commissioning by the line owners the materials methods and sources for the initial creation their construction their use and their reception The demise and re purposing of the interiors is also covered in this new edition with additional material on the South African Union Castle and P O Lines Drawing on a broad range of original research Anne Massey's approach combines interior design studies design history architectural history and maritime studies The new edition has been carefully designed to include black and white and colour illustrations      **Designing Liners** Anne Wealleans, 2006-09-27 This in depth history of the interior design of ocean liners surveys the transient history of interior design in relation to the development of passenger shipping from commissioning by the line owners methods and sources for the original creation of designs through to its construction use and influence It is a short lived branch of architecture and design lasting an average of fifteen years As the design and taste mirrors and reinforces cultural assumptions about national identity gender class and race not only did the interiors of ocean going liners reflect the changing hierarchies of society and shifting patterns in globalization but the glamour and styling of the liners were reflected back into the design of interiors on land Combining design history architecture history material and visual cultures Designing Liners is a richly multidisciplinary work for those studying or researching this application of interior design      Encyclopedia of Interior Design Joanna Banham, 1997-05 First published in

1997 Routledge is an imprint of Taylor Francis an informa company      **World Design** Hugh Aldersey-Williams,1992  
*Design* ,1993      Image, Power and Space Alan Tomlinson,2007 A collection of studies by scholars working at the  
Chelsea School Research Centre and the University of Brighton      *Interiors* Steven Parissien,2009 The development of the  
domestic interior is a history of consumption and taste In *Interiors* The Home since 1700 for the first time this story is set  
against the cultural and industrial changes taking place in the western world since the seventeenth century Unlike almost all  
previous histories this book does not deal exclusively with the grand houses of the aristocracy Steven Parissiens masterly text  
concentrates rather on the homes of the merchants and middle classes who have been the first to take advantage of new  
technologies to furnish and decorate their homes Fully illustrated with contemporary plates from catalogues and books as  
well as paintings and photography this beautiful book traces a constantly absorbing and often surprising story as it took  
place all over Western Europe and North America Ideal for all students of and enthusiasts for the domestic interior and  
period settings Steven Parissiens strong narrative explains not simply what happened but why      *British Design* Christopher  
Breward,Fiona Fisher,Ghislaine Wood,2015-10-22 British Design brings together leading international scholars designers  
and journalists to provide new perspectives on British design in the last sixty years and how it at once looked back to the past  
with the continuation of traditions that spoke to Britain s design heritage and looked forwards with the embrace of modernist  
and postmodernist style The book responds to and develops new ways of understanding the recent history of design in Britain  
with case studies on designed spaces and objects including domestic interiors retail spaces schools and university buildings  
and transport The contributors address significant moments and phenomena in the historical and social history of British  
design from the rise and fall of the English Country House style and the Brutalist architectural boom of the 1960s to the  
modern shopping space and consider the work of key contemporary designers ranging from Tommy Roberts to Thomas  
Heatherwick British Design provides new criticism and analysis on how design from the immediate post war period to the  
present day has developed and changed how we live and how we interact with the spaces in which we live British Design is  
split into 13 chapters and is richly illustrated with 65 images 16 of which are in full colour      **Freestyle, the New  
Architecture and Interior Design from Los Angeles** Tim Street-Porter,1986 More than just a stunning book on radical  
design this is also an affectionate yet serious look at what s happening in Los Angeles America s laboratory for new ideas in

Adil Masood Qazi,2023-09-18 A thorough guide to British decorating ideas The development and continuing appeal of British  
interior design concepts are examined in this meticulously researched book From the dignified elegance of Georgian interiors  
to the opulence of Victorian decor the reader is taken on a tour of the various design eras that have inspired British interior  
design The book celebrates the timeless beauty of British homes while highlighting their distinctive characteristics and how  
they contribute to the construction of beautiful and comfortable living spaces Through sharp descriptions and arresting

imagery readers gain a profound understanding of the principles that define British interior design such as craftsmanship attention to detail and a connection to nature The book also discusses contemporary design influences demonstrating how British interior design has evolved to embrace sustainable and environmentally friendly practices British Interior Design Style is a priceless book for both amateur and professional interior designers who want to incorporate British design elements into their own projects An extensive analysis of interior design concepts and practical insights this book is a good resource for creating timeless and attractive interiors that are influenced by the long traditions of British design and decor

*English Eccentric Interiors* Miranda Harrison, 2006-06-16 Little has been written about the expression of English eccentricity through individual interior design This work looks at everything from a contemporary rendition of Gothic opulence in Notting Hill to a Victorian interior in Devon along with private houses eclectic museums restaurants bars and theatres **Willing's Press Guide and Advertisers' Directory and Handbook** ,1988 **British Humanities Index** ,2006 **The Architects' Journal** ,1990 *Bulletin of the Rhode Island School of Design* Rhode Island School of Design, 1913 Design & Applied Arts Index ,2001
