Nobody Knows what the Stork Will Bring, and Other Stories Charles Criswell, 1958      **The Kiss and Other Stories** Anton Pavlovich Chekhov, 1915      **The Changing of the Guard: And Other Stories of Myrcia** J.S. Mawdsley, 2021-03-21

Before a happily ever after there are a lot of disappointments These are stories of people struggling to find their place but not quite finding it yet Stories of people who know their place and are scared of losing it And stories of people who discover themselves only to find something quite unpleasant Prequel stories to Reunion Vale      **The New International Year Book**, 1926      *The Missing Kidney and other stories* Maxine Rosaler, 2025-05-13 Set in the grungy New York City of the 1970s and 80s these stories convey a sense of the enchantment that lurks on the flip side of every moment as if the meaning of life were hidden within the static being blasted out of the loudspeakers on a subway platform or a scrap of newspaper preserved under ice on a cold winter s day A girl tries to save the boy she loves from his crippling love for his uncle A champion of social justice talks herself into believing that the man she finds sexually repulsive is a perfect fit for her perfectly ordered life A man kneels on the sidewalk before a memorial he constructed for his girlfriend as a crowd of curious onlookers gather around him Rosaler deals out the fates of a vivid array of complex characters with unflagging energy wit and a delight in the details of city life      **Chimpanzee Man and Other Stories** Dominick Ricca, 2012-07      Typhoon, and Other Stories Joseph Conrad, 1921 Falk A young mariner negotiates a marriage between the taciturn Falk and the simple but physically attractive daughter of a ship s captain      **Laughing Bill Hyde and Other Stories** Rex Beach, 2020-09-18 Rex Beach dubbed the Victor Hugo of the North reached fame and best seller status with the publication of his novel *The Spoilers* He went on to have a string of successful books many of which were adapted into movies This collection assembles some of his best short stories including *Laughing Bill Hyde*      *Catalogue* Wells, Edgar H. & Co, 1928      The wreath of mallow, and other stories Anne Mercier, 1875      **The Abbot's Ghost, Maurice Treherne's Temptation: A Christmas Story and Other Stories** Louisa May Alcott, Here their host entered and the subject of course was dropped But the major s words rankled in the young man s mind and would have been doubly bitter had he known that their confidential conversation had been overheard On either side of the great fireplace was a door leading to a suite of rooms which had been old Sir Jasper s These apartments had been given to Maurice Treherne and he had just returned from London whither he had been to consult a certain famous physician Entering quietly he had taken possession of his rooms and having rested and dressed for dinner rolled himself into the library to which led the curtained door on the right Sitting idly in his light wheeled chair ready to enter when his cousin appeared he had heard the chat of Annon and the major As he listened over his usually impassive face passed varying expressions of anger pain bitterness and defiance and when the young man uttered his almost fierce We shall see Treherne smiled a scornful smile and clenched his pale hand with a gesture which proved that a year of suffering had not conquered the man s spirit though it had crippled his strong body A singular face was Maurice Treherne s well cut and somewhat

haughty features a fine brow under the dark locks that carelessly streaked it and remarkably piercing eyes Slight in figure and wasted by pain he still retained the grace as native to him as the stern fortitude which enabled him to hide the deep despair of an ambitious nature from every eye and bear his affliction with a cheerful philosophy more pathetic than the most entire abandonment to grief Carefully dressed and with no hint at invalidism but the chair he bore himself as easily and calmly as if the doom of lifelong helplessness did not hang over him A single motion of the hand sent him rolling noiselessly to the curtained door but as he did so a voice exclaimed behind him Wait for me cousin And as he turned a young girl approached smiling a glad welcome as she took his hand adding in a tone of soft reproach Home again and not let me know it till I heard the good news by accident Was it good news Octavia and Maurice looked up at the frank face with a new expression in those penetrating eyes of his His cousin s open glance never changed as she stroked the hair off his forehead with the caress one often gives a child and answered eagerly The best to me the house is dull when you are away for Jasper always becomes absorbed in horses and hounds and leaves Mamma and me to mope by ourselves But tell me Maurice what they said to you since you would not write A little hope with time and patience Help me to wait dear help me to wait His tone was infinitely sad and as he spoke he leaned his cheek against the kind hand he held as if to find support and comfort there The girl s face brightened beautifully though her eyes filled for to her alone did he betray his pain and in her alone did he seek consolation I will I will with heart and hand Thank heaven for the hope and trust me it shall be fulfilled You look very tired Maurice Why go in to dinner with all those people Let me make you cozy here she added anxiously Thanks I d rather go in it does me good and if I stay away Jasper feels that he must stay with me I dressed in haste am I right little nurse She gave him a comprehensive glance daintily settled his cravat brushed back a truant lock and with a maternal air that was charming said My boy is always elegant and I m proud of him Now we ll go in But with her hand on the curtain she paused saying quickly as a voice reached her Who is that Frank Annon Didn t you know he was coming Maurice eyed her keenly No Jasper never told me Why did he ask him To please you Me When he knows I detest the man No matter I ve got on the color he hates so he won t annoy me and Mrs Snowdon can amuse herself with him The general has come you know Treherne smiled well pleased for no sign of maiden shame or pleasure did the girl s face betray and as he watched her while she peeped he thought with satisfaction Annon is right I have the advantage and I ll keep it at all costs Here is Mamma We must go in said Octavia as a stately old lady made her appearance in the drawing room The cousins entered together and Annon watched them covertly while seemingly intent on paying his respects to Madame M re as his hostess was called by her family Handsomer than ever he muttered as his eye rested on the blooming girl looking more like a rose than ever in the peach colored silk which he had once condemned because a rival admired it She turned to reply to the major and Annon glanced at Treherne with an irrepressible frown for sickness had not marred the charm of that peculiar face so colorless and thin that it seemed cut in marble but the keen eyes shone with a wonderful brilliancy and the whole countenance was alive with a power

of intellect and will which made the observer involuntarily exclaim That man must suffer a daily martyrdom so crippled and confined if it last long he will go mad or die General and Mrs Snowden announced the servant and a sudden pause ensued as everyone looked up to greet the newcomers A feeble white haired old man entered leaning on the arm of an indescribably beautiful woman Not thirty yet tall and nobly molded with straight black brows over magnificent eyes rippling dark hair gathered up in a great knot and ornamented with a single band of gold A sweeping dress of wine colored velvet set off with a dazzling neck and arms decorated like her stately head with ornaments of Roman gold At the first glance she seemed a cold haughty creature born to dazzle but not to win A deeper scrutiny detected lines of suffering in that lovely face and behind the veil of reserve which pride forced her to wear appeared the anguish of a strong willed woman burdened by a heavy cross No one would dare express pity or offer sympathy for her whole air repelled it and in her gloomy eyes sat scorn of herself mingled with defiance of the scorn of others A strange almost tragical looking woman in spite of beauty grace and the cold sweetness of her manner A faint smile parted her lips as she greeted those about her and as her husband seated himself beside Lady Treherne she lifted her head with a long breath and a singular expression of relief as if a burden was removed and for the time being she was free Sir Jasper was at her side and as she listened her eye glanced from face to face
