Bringing Out The Dead A Screenplay:

Bringing Out The Dead Terrence Ryan,2020-06-02 After a disheartening and haunting career wears him down New York City paramedic Frank Pierce Nicolas Cage begins to collapse under the strain of saving lives and witnessing deaths Through the course of a few nights three co workers John Goodman Ving Rhames Tom Sizemore accompany Pierce as he grasps for sanity and pushes to be fired Before Pierce falls off the edge he still has a hope when he forms a friendship with a victim s daughter Patricia Arquette

Bringing Out the Dead Paul Schrader,1997 Bringing Out the Dead Joe Connelly,2010-09-22 Perhaps only someone who has worked for almost a decade as a medic in New York City s Hell s Kitchen as Joe Connelly has could write a novel as riveting and fiercely authentic as Bringing Out the Dead Like a front line reporter Connelly writes from deep within the experience and the result is a debut novel of extraordinary power and intensity In Frank Pierce a brash EMS medic working the streets of Hell s Kitchen Connelly gives us a man who is being destroyed by the act of saving people Addicted to the thrill the best drug in the world and the mission of the job Frank is nevertheless drowning in five years worth of grief and guilt his own and others my primary role was less about saving lives than about bearing witness His wife has left him he s drinking on the job and just a month ago he helped to kill an eighteen year old asthmatic girl Now she s become the waking nightmare of all his failures hallucination and projection the ghosts that once visited my dreams had followed me out to the street and were now talking back and as real to him as his own skin And in reaction to her death Frank has desperately resurrected a patient back into a life now little better than death In a narrative that moves with the furious energy of an ambulance run we follow Frank through two days and nights into the excitement and dread of the calls the mad humor that keeps the medics afloat the memories distant and recent through which Frank reminds himself why he became a medic and tries in vain to convince himself to give it up And we are with him as he faces his newest ghost the resurrected patient whose demands to be released into death might be the most sensible thing Frank has heard in months if only he would listen Bringing Out the Dead is a stunning novel

The Philosophy of Martin Scorsese Mark Conard,2007-05-31 Academy Award winning director Martin Scorsese is one of the most significant American filmmakers in the history of cinema Although best known for his movies about gangsters and violence such as Mean Streets Goodfellas Casino and Taxi Driver Scorsese has addressed a much wider range of themes and topics in the four decades of his career In The Philosophy of Martin Scorsese an impressive cast of contributors explores the complex themes and philosophical underpinnings of Martin Scorsese s films The essays concerning Scorsese s films about crime and violence investigate the nature of friendship the ethics of vigilantism and the nature of unhappiness The authors delve deeply into the minds of Scorsese s tortured characters and explore how the men and women he depicts grapple with moral codes and their emotions Several of the essays explore specific themes in individual films The authors describe how Scorsese addresses the nuances of social mores and values in The Age of Innocence the nature of temptation and self sacrifice in The Last

Temptation of Christ and Bringing Out the Dead and the complexities of innovation and ambition in The Aviator Other chapters in the collection examine larger philosophical questions In a world where everything can be interpreted as meaningful Scorsese at times uses his films to teach audiences about the meaning in life beyond the everyday world depicted in the cinema For example his films touching on religious subjects such as Kundun and The Last Temptation of Christ allow the director to explore spiritualism and peaceful ways of responding to the chaos in the world Filled with penetrating insights on Scorsese's body of work The Philosophy of Martin Scorsese shows the director engaging with many of the most basic questions about our humanity and how we relate to one another in a complex world **Martin Scorsese** Ian
