

British Army Of The Rhine

Great Britain. War Office

British Army Of The Rhine:

British Army of the Rhine Paul Chrystal, 2018-09-30 The nervous geopolitical tension between East and West the Cold War emerged before the end of the Second World War and lasted until 1991 with the collapse of the Soviet Union The British Army of the Rhine was born in 1945 out of the British Liberation Army at the close of the war as the military government of the British zone of occupied Germany As the Soviet threat increased so BAOR became less of an occupational army and assumed the role of defender of Western Europe and as a major contributor to NATO after 1949 This book traces and examines the changing role of BAOR from 1945 to its demise in the 1993 Options for Change defence cuts It looks at the part it played in the defence of West Germany its effectiveness as a Cold War deterrent the garrisons and capabilities logistics and infrastructure its arms and armour the nuclear option and the lives of the thousands of families living on the front line

The British Army of the Rhine Michael Foley, 2017-09-09 **British Army of the Rhine** Carl Schulze, 1995-06-01 For nearly 40 years since the immediate aftermath of Allied victory in May 1945 the Brit Army of the Rhine BAOR formed a major pillar of the NATO defenses facing the Warsaw Pact With a peak strength of 60 000 men in 4 armored and mechanized Div BAOR represented the greater part of the Brit Army s heavy war fighting capacity and Territorials frequently transferred to West Germany to play their part in NATO exercises Now the Brit Army is reshaping its capability in Europe As BAOR gives place to the new British led Allied Rapid Reaction Corps this book in 120 color photos records the last days of this historic Army its units men and equipment **The British Army of the Rhine** Peter Speiser, 2016-05-30 Between 1945 and 1957 West Germany made a dizzying pivot from Nazi bastion to Britain s Cold War ally against the Soviet Union Successive London governments though often faced with bitter public and military opposition tasked the British Army of the Rhine BAOR to serve as a protecting force while strengthening West German integration into the Western defense structure Peter Speiser charts the BAOR s fraught transformation from occupier to ally by looking at the charged nexus where British troops and their families interacted with Germany s civilian population Examining the relationship on many levels Speiser ranges from how British mass media representations of Germany influenced BAOR troops to initiatives taken by the Army to improve relations He also weighs German perceptions surveying clashes between soldiers and civilians and comparing the popularity of the British services with that of the other occupying powers As Speiser shows the BAOR s presence did not improve the relationship between British servicemen and the German populace but it did prevent further deterioration during a crucial and dangerous period of the early Cold War An incisive look at an under researched episode The British Army of the Rhine sheds new light on Anglo German diplomatic political and social relations after 1945 and evaluates their impact on the wider context of European integration in the postwar era *The British Army of the Rhine* Carl Schulze, 1995 No 19 The British Army of the Rhine Schulze A vivid all color essay supported by detailed captions showing the combat arms and major support services of the British 1st Corps on major maneuvers **The British Army of the Rhine After the First World War**

Michael Foley, 2016-10-20 When the First World War ended British troops crossed the Rhine into Germany and entered a country torn apart by violence and unrest where revolution was a constant threat and civil war seemed more likely every day. There was also the risk of the war resuming if Germany refused to accept Allied terms. The British forces were plunged into the turmoil of a defeated country facing political unrest and the expectations of a hostile German public who were facing the victorious Allied forces taking over their country. The British troops were also disillusioned with their continued service as the majority of them had expected to be demobbed as soon as the war was won. Back cover *British Army of the Rhine*, 1977
