Critical Introduction To Restitution:

A Critical Introduction to Restitution Steve Hedley, 2001 Restitution is a topic which is now increasingly seen as detached from commercial concerns A Critical Introduction to Restitution aims to set the subject firmly in its practical commercial context stressing continuity with the remainder of commercial law and considering issues of policy against that background The text builds on the reader's knowledge of those subjects and integrates restitution into them **The Law of Restitution** Andrew S. Burrows, 2002 This book continues to provide the reader with comprehensive coverage of the subject including detailed examination of intensely practical subjects such as subrogation the limitation of action and conflict of laws It also offers a detailed analysis of tracing and the debates concerning the knowing receipt of property transferred in breach of trust both of which have so perplexed practitioners and courts for the last two decades *The Law of Unjust Enrichment in China: Necessary or Not?* Siyi Lin, 2022-08-30 This book is the first book focusing on the Chinese law of unjust enrichment in English and introducing it to Western jurisdictions Unjust enrichment is currently one of the most controversial areas of law in many jurisdictions and rife with academic debate This book analyzes the historical evolution current doctrines and relationships of unjust enrichment with other areas of private law in China It also provides insights into judicial practice In May 2020 China promulgated its first ever Civil Code since the establishment of the People's Republic of China which is a milestone in the history of Chinese law Before the Civil Code there was only one legal provision regulating unjust enrichment which requires a person obtaining benefits without a legal basis to return such benefits However the new Civil Code contains a separate chapter regulating unjust enrichment This book analyzes and evaluates those new provisions in the Civil Code to provide a most up to date analysis of the Chinese law of unjust enrichment Structure and Justification in Private Law C.E.F. Rickett, Ross Grantham, 2008-02-27 This volume written by legal experts is a tribute to Peter Birks and a series of thought provoking essays inspired by his example Unjust Enrichment and Public Law Rebecca Williams, 2010-06-30 The central aim of this book is to examine claims involving unjust enrichment and public bodies subject in France England and the EC **Understanding Unjust Enrichment** Jason W Neyers, Mitchell McInnes, Stephen G.A. Pitel, 2004-04-20 The articles based on a symposium held in 2003 deal with numerous theoretical and practical issues that surround restitution and unjust enrichment *Rethinking Unjust Enrichment* Warren Swain, Sagi Peari, 2023-11-11 This inter disciplinary volume brings together scholars from across the globe to challenge the dominant position of unjust enrichment and suggest more satisfactory alternatives Rethinking Unjust Enrichment includes a broad range of voices from the UK US Australia Canada China Singapore Germany Ireland New Zealand Hong Kong and South America The book includes voices of sceptics who think that the current unjust enrichment doctrine must be seriously qualified and others who think that it should be eliminated altogether The contributions cast doubt on the various parameters of unjust enrichment from an analytical standpoint representing four interrelated perspectives history sociology doctrine and theory The four limb structure of the

book provides readers with a clear understanding of the current problems of unjust enrichment at the deepest levels of its history sociological forces doctrinal fallacies and normative deficiencies This treatment of the subject serves as the basis for a comprehensive reform across jurisdictions Comprehensive and multi faceted Rethinking Unjust Enrichment is interesting to both sceptics and supporters of the unjust enrichment It facilitates a critical and constructive dialogue between the two
