

# CONTENT CREATION CHECKLIST

## RELEVANCY

The goal is to provide your readers with a blog that is actually useful to them. It's only when you create high-quality content that your blog can convert into a lead generation platform.

## SEARCHABILITY

Once you have a good topic (defined by one that your potential customers will be interested in) you can utilize some marketing tools to ensure you're capitalizing on all the SEO opportunities available.

## TYPE

Maximize your content marketing plan by producing multiple types of content out of one topic. This can also help your content reach your audience at different stages of their customer journey.

## PROMOTION

When you're creating marketing content, you should always be thinking about where it can go and how you can promote it. Social media and email marketing are two common cross-promotion strategies for B2B and B2C businesses.

## CTA

In the back of your mind, you should always be thinking: "What do I want a user to do after viewing this piece of content?" CTAs are where you make all your ROI—literally and figuratively.

Indigenous Public Health Linda Burhansstipanov,Kathryn L. Braun,2022-09-06 Income education job security

food and housing and gender and race are all examples of the social determinants of health. These factors influence the health and well-being of patients as well as how they interact with health care providers and receive health care and unfortunately certain biases can become a barrier to maintaining good health in some communities. Indigenous groups in North America and US associated Pacific jurisdictions have been subjected to occupation and forced relocation, mandated boarding schools and other attempts by state and federal governments to eliminate their cultural strengths and resources. Indigenous Public Health illustrates how successful community engagement strategies, programs and resources within Indigenous communities have resulted in diverse successful public health programs and helped community members overcome barriers to health. Editors Linda Burhansstipanov and Kathryn L Braun explore the problems that impact engagement efforts, discuss public health topics, acknowledge and honor the strengths of different communities and emphasize that collaboration and the sharing of resources can only improve lives.

[Becoming an Outstanding Primary School Teacher](#) Russell Grigg, 2022-06-23. This fully updated third edition of *Becoming an Outstanding Primary School Teacher* includes new material on blended learning, pedagogical leadership and teaching entrepreneurial skills. It offers comprehensive coverage of all the key topics that engage primary teachers, including planning, meeting curriculum demands, promoting positive behaviour, assessment, engaging with parents, research and professional development. Throughout, Russell Grigg draws on theory, research and case studies of classroom practice to discuss what it takes to become an outstanding primary teacher, making this essential reading for raising pupils' standards of achievement through high quality teaching. How do primary teachers who excel in their work approach topics such as planning and assessment? What strategies do they use to inspire pupils when teaching English, Mathematics, Science and other subjects? How do they keep on top of everything in managing workload and still get the best from pupils? These are the kinds of questions that this revised third edition addresses. It includes more than sixty ground-breaking infographics to convey key points in a highly accessible way, discussion of recent curriculum changes in the UK and the implications for high quality teaching, tried and tested classroom strategies, points for reflection and further research to bridge theory and practice, key concepts and international views on topics such as creativity, teachers' well-being and assessment, reflections on the lessons from the recent pandemic such as the need for a robust digital pedagogy, extensive references for further research. *Becoming an Outstanding Primary School Teacher* has been updated to reflect significant changes in the context within which primary teachers operate, both in the educational system and broader society. Providing a complete guide to the notion and practices of outstanding teaching, this is a vital reference for trainee teachers, NQTs and more experienced practitioners who aspire to excellence in their teaching.
