Passive Income Mastery is your practical roadmap to building wealth that grows quietly consistently and intelligently in a world driven by automation and smart systems. What would change in your life if your bills were paid whether you were working or not? This book begins with a simple truth: financial freedom isn't about working harder; it's about building smarter systems. Barack A. Bender takes you behind the scenes of modern wealth creation, telling the story of everyday people who started with limited capital, busy schedules, and big doubts, yet built income streams that now run in the background of their lives.
