[Shakespearean Readings](#) Carlo Maria Bajetta, Luisa Conti Camaiora, 2014-09-03 This volume contains a series of papers we delivered at the annual Shakespeare conference held at the Universit Cattolica of Milan over three years During this period our research interests ran on more or less parallel lines moving from Shakespeare s sonnets to the Bard s influence on Keats and Shelley If this was probably due to a similar way of interpreting the conference titles it was just a coincidence that both of us devoted particular attention to King Lear This play we discovered was particularly relevant to the work we were autonomously carrying out Luisa Camaiora being then engaged in writing her book on Keats s Odes and Carlo Bajetta editing

Shelley s Peter Bell As a consequence we started mentioning articles discussed recent research and there was much swapping of books which created more than a little confusion in our bookshelves and much irritation in some University librarians When we looked back at these essays we were surprised to note that a fil rouge seemed to run through them From the ambiguities of one of Shakespeare s most famous sonnets number 116 they move on to describe the allusive structure of the sonnet chorus of Romeo and Juliet hence to the complexities of the initial scene of King Lear and the uses to which this play was put by Keats and Shelley they eventually come back to Keats s relationship with the works of the Bard and finally to yet another sonnet which constitutes in many ways an original re reading of Shakespeare Shakespearean Readings alluding to both textual variants critical analysis and a writer s understanding of a literary work seems to be a fitting title to describe this red thread Passage and Traffic in Romeo and Juliet and Textual Madness King Lear s peregrinations were first published in To go or not to go Catching the moving Shakespeare ed L Camaiora Milan I S U Universit Cattolica 2004 John Keats and his Presider Shakespeare and Shakespeare s Sonnet 12 and Keats s When I have fears appeared in a different form in L Analisi Linguistica e Letteraria 7 1 1999 while Shelley s Shakespearean Mockery of Wordsworth which was read at the Shakespeare Days conference in April 2003 both relies on and integrates some sections of the introduction to Peter Bell the 1819 Texts which appeared in December of the same year Mursia Milan Milan June 2004 Luisa Conti Camaiora Carlo M Bajetta Dalla Prfazione degli Autori **Gas Age** ,1923 Includes summaries of proceedings and addresses of annual meetings of various gas associations L C set includes an index to these proceedings 1884 1902 issued as a supplement to Progressive age Feb 15 1910 *Pacific Coast Miner* ,1904 **Annual Report of the Secretary of the Board of Agriculture** Massachusetts.
