E-commerce Business Marketing \$30.000/Month Jake Fox,2022-11-02 Have you always wanted to start an online business that didn't require you to store anything or handle any shipping yourself? Have you always wished that you could make money selling items on your own website but didn't know how? If so, then dropshipping is exactly what you've been looking for. These days a lot of emphasis is placed on the value of working from home and earning money through your computer. For many online marketers and e-commerce is a powerful opportunity to step out of financial ruin and into a state of financial freedom with the added benefit of time freedom as well. With the way the economy seems to be going, I suspect that one day everyone will have some form of involvement in e-commerce as a way to subsidize or supplement their income if not replace their income altogether. This book will teach you how to sell a product from your own website that is shipped from halfway across the world without ever leaving your home. It will also show you how to leverage social media and incorporating affiliate marketing in your business to make big money. If you are interested in learning more about e-commerce business marketing, grab this book now and learn how you can take advantage of the boom in e-commerce business opportunities today.
