

A vibrant, stylized illustration of a New Orleans street at night. The scene is filled with warm, golden light from street lamps and building windows. On the left, there are multi-story buildings with ornate balconies and awnings. In the center, a street leads into the distance, lined with more buildings and streetlights. On the right, there are more buildings, some with awnings and signs. A blurred car is visible in the foreground on the right side of the street. The overall atmosphere is lively and festive.
