**Detective's Apprentice** Dewey Richards,2003-06 Why did I write this book The answer is quite simple really I want your life to be inspired and changed as mine has been A year before my life was turned upside down I began praying to God asking him to show me some work that would make a real difference in the world I managed to set aside fifteen minutes early each morning to be still and quiet just listening for guidance and direction I was nearing the end of raising the last of our five children I was ready to open a new door and focus on a larger family now I wasn't sure God was hearing my plea but I remained faithful in my endeavor to listen until he was ready to reveal his plan to me I was assured of his sense of humor when the answers started coming in the unlikely form of wheelchairs My nephew Paul is married to a beautiful gal who is a wheelchair user Mary Lou broke her neck in a tragic snowmobile accident at the age of twenty one They asked if I would look into collecting good usable wheelchairs in the Metro Detroit area to be gifted to needy people around the world How difficult could this be I said Yes and decided from the beginning that I would involve every religious denomination every race and every background in this most worthy volunteer project The stories and circumstances that follow are more than mere coincidences They are examples of God's plan being unfolded in miraculous ways For having walked here once we remain forever

**Time of One's Own** Pearl Jephcott,2023-04-25 Originally published in 1967 Time of One's Own asks the question How do young Scots spend their free time nowadays The Kilbrandon Council asked the University of Glasgow to undertake a study on this subject and their conclusions form the subject of this book Young Scots were confined to those aged fifteen to nineteen and in the main to those living in three localities which it was hoped were reasonably typical a mining town in West Lothian and in Glasgow an old inner area and a new outlying housing estate Some three thousand boys and girls provided facts and views In addition to statistical material the study constantly refers to the how and why of the way in which the individual youngster spent their free time The adults who collected the information agreed that what they saw of the leisure of these adolescents lacked variety and sparkle On the other hand a considerable proportion of the boys and girls appeared to be on the brink of using it in less stereotyped ways Just a little push might have done the trick In general the provision for recreation was inadequate This was especially so in the case of indoor facilities The Youth Service which should play so important a role required far more support This is a valuable record from the time of what it was like to have Time of One's Own and this reissue is a fascinating addition to all those interested in the history of Education and Sociology

The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a masterful and gripping novel that will keep you guessing until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
