Detente Or Debacle Common Sense In Us Soviet Relations

Christopher I. Xenakis

Detente Or Debacle Common Sense In Us Soviet Relations:

Detente Or Debacle American Committee on East-West Accord, 1979 Perceptions and Behavior in Soviet Foreign Policy Richard K. Herrmann, 2010-11-23 This book discerns Soviet leaders' views of the United States and sees them in relation to foreign policy statements and actions. Herrmann first examines the subtle problem of analyzing perceptions and interpreting motives from the words and deeds of national leaders. He then turns to cases measuring the dominant U.S. hypotheses about the USSR against Soviet behavior in Central Europe, the Middle East, Africa, and Asia, as well as Soviet participation in the arms race. Finally, he weighs his conclusions against a thematic study of speeches and publications by members of the Politburo.

Soviet Foreign Policy 1917-1991 Jr. Fleron, 2017-07-05 The purpose of this anthology is to deepen Western understanding of the sources and substance of the foreign policy of the Soviet Union. Authoritative analysts here explore significant issues in Soviet foreign relations from the era of the Bolshevik Revolution and the Civil War to the period of reform that preceded the final collapse of the Soviet system. The volume is designed for courses in Soviet political history, diplomatic history, comparative foreign policy, and the mainstream of international relations.

Development of the Idea of Detente Michael B. Froman, 2016-01-28 Since the early 1950s there has been agreement in the US concerning the desirability of improving relations with the Soviet Union. Policymakers have often disagreed, however, about how to implement policy, and this book looks at the policy of individual administrations.

United States Relations with Russia and the Soviet Union David Shavit, 1993-07-27 This historical dictionary covers the period from the eighteenth century when the United States began trading with Russia to the present. It includes entries arranged alphabetically on events and policies, summit meetings, and treaties, people, organizations, and institutions, and businesses involved in the gamut of U.S. relations with Russia and the Soviet Union. Each entry includes references, and the book also includes a chronology, appendixes, and a bibliographical essay.

Classic Issues in Soviet Foreign Policy Frederic J. Fleron (jr.), Erik P. Hoffmann, Robbin Frederick Laird, Theoretical and empirical studies of Soviet foreign policy from the Revolution to the mid 1960s, including historical, methodological, and ideological perspectives. Reported available with its companion covering Brezhnev to Gorbachev as a single volume. Unseen c by Book News Inc, Portland, OR.

Soviet Foreign Policy Erik P. Hoffmann, Robbin Frederick Laird, Frederic J. Fleron, What Happened to the Soviet Union? Christopher I. Xenakis, 2002-09-30 Xenakis examines the responses of Soviet experts in American academia, primarily political scientists, but also economists and defense scholars who specialized in the USSR, to the unfolding evidence of Soviet reform during the 1970s and 1980s and to its ultimate collapse. He concludes that American Sovietologists and other political scientists were more responsive to the Cold War consensus, to the needs of the State Department, Defense, and CIA policy makers, and to the official Washington line of the moment than to the changing face of the Soviet Union. As Xenakis makes clear, many of the Cold War ideas and attitudes shared by Sovietologists, the notion that the USSR was an evil empire, the idea that Soviet society was irredeemably xenophobic, and

indolent that the Soviet political and economic system could not be fixed or reformed and the view that the best way for Washington to deal with Moscow's influence was to contain the USSR through arms races global and proxy wars were reminiscent of the policies and arguments of the Truman and Eisenhower administrations not to the facts on the ground in the 1970s and 1980s An important work for scholars students and researchers involved with Soviet and Russian studies international political and military affairs intellectual history and the relationship between academia and the government

United States--Soviet Relations Karl W. Ryavec, 1989 *Britain's International Role, 1970-1991* Michael J

Turner, 2010-10-06 How does one of the world's greatest powers preserve its status and influence when international conditions are unfavourable and its resources do not match its commitments This was Britain's burden in the 1970s and 1980s when the international order was transformed Much became unsettled and Britain had to adapt policy to suit new needs and opportunities Michael J Turner elucidates the efforts that were made to maximise Britain's role on those matters and in those parts of the world that were of special importance to British strategy prosperity and security He examines key decisions and their consequences and places British policy making in an international context suggesting that British leaders were more successful in preserving power and prestige on the world stage than has sometimes been appreciated

American-Russian Economic Relations James K. Libbey, 1989 *A History of Soviet Foreign Policy, 1917-1991 (English-language Titles)*, 1993 **The Soviet Union and the United States** Linda Killen, 1988 **U.S. Leadership Perceptions of the Soviet Problem Since 1945** John Van Oudenaren, Rand Corporation, 1982 For 35 years the Soviet Union has presented American political leaders with their most difficult foreign policy and defense problems Throughout this period the Soviet Union like other countries has undergone constant change Although this change has worked to reshape the perceptions of American leaders it has not ended an ongoing debate in the United States about the essential character of the Soviet system and appropriate U S policies for dealing with the USSR There remains no consensus on a long term American strategy for dealing with the Soviet Union In an effort to probe the roots of the ongoing dissension in the U S foreign policy community regarding Soviet policy this report analyzes the three early postwar alternatives termination by accommodation termination by victory and long term management and shows how the early debates on these alternatives influenced subsequent American policy thinking In addition the report suggests some of the underlying reasons why a termination approach appealed to those who were confronted for the first time with the Soviet problem and why despite the standoff of the past 35 years termination continues to exert a residual appeal for both elites and the general public **Soviet Armed Forces Review Annual**, 1982 **The Washington Monthly**, 1978 **The American Bibliography of Slavic and East European Studies**, 1983 *USSR Report*, 1985 **British Books in Print**, 1979 **Problems of Communism**, 1988
