## **Devdas A Novel Paperback:**

Bollywood's India Priya Joshi, 2015-03-03 Bollywood is India's most popular entertainment and one of its most powerful social forces. Its blockbusters contest ideas about state formation, capture the nation's dispersed anxieties, and fabricate public fantasies of what constitutes India. Written by an award-winning scholar of popular culture and postcolonial modernity, *Bollywood's India* analyzes the role of the cinema's most popular blockbusters in making, unmaking, and remaking modern India. With dazzling interpretive virtuosity, Priya Joshi provides an interdisciplinary account of popular cinema as a space that filters politics and modernity for its viewers. Themes such as crime and punishment, family and individuality, vigilante and community capture the diffuse aspirations of an evolving nation. Summoning India's tumultuous 1970s as an interpretive lens, Joshi reveals the cinema's social work across decades that saw the decline of studios, the rise of the multi-starrer genre, and the arrival of corporate capital and new media platforms. In elegantly crafted studies of iconic and less familiar films, including *Awara* (1951), *Ab Dilli Dur Nahin* (1957), *Deewaar* (1975), *Sholay* (1975), *Dil Se* (1998), *A Wednesday* (2008), and *3 Idiots* (2009), Joshi powerfully conveys the pleasures and politics of Bollywood blockbusters.

**Selected Novels of Sarat Chandra Chatterjee** Amitava Bhattacharya, 2006-08-11 This book presents unabridged translations of five of the many captivating novels of the legendary writer Sarat Chandra Chatterjee of India, who wrote in Bengali language in the first quarter of the twentieth century. *Devdas*: The young boy Devdas has an ardent follower, a little girl Parvati, who is his neighbor's daughter. They grow up together in a class-conscious, tradition-bound rural community. Their friendship turns into love as they mature. Will they be able to have their wish fulfilled and unite with each other for the rest of their lives? Which way their fate will take them? *Good Riddance*: Niskriti Girish is a successful man, and both he and his wife are magnanimous. They allow Girish's incompetent and poor cousin and his family to live with them as a joint family. An atmosphere of great love and understanding prevails over the joint family. But what happens when Girish's younger brother Harish, who is also a successful man and has a wife with western education, joins the family? What events take place, and what are the roles played by different family members? *Pundit Pundit*: Pundit Moshai Brindaban was married at a young age but was soon made by his father to desert his child bride because of a rumor of scandal about her mother. He grows up to become a self-educated and benevolent, well-to-do man, and she grows up to be a beautiful and educated woman in a poor family. After his second wife dies, leaving behind a young son, he offers to take her back. But how does she respond? Brindaban gives free education to children of the poor in the village by teaching them himself and is called by them as Pundit. But does that earn him respect from the diehard snobs in the village, or their compassion in his moment of crisis? *Chandranath*: A rich man marries a poor young woman, not knowing that her mother had a scandal of living together with a man after she became a widow. The girl, because of her humble background and the scandalous secret about her mother, considers herself much inferior to her husband and treats him with servility. How are the husband's feelings towards her? How does the marriage blossom? A kindly old man comes in their life, and what role does he play? *Debt*
