Developing Language And Literacy With Young Children:

Developing Language and Literacy 3-8 Ann Browne, 2009-01-19 I would thoroughly recommend this as a book which enables and empowers at many levels of experience Every staff room should have a copy English Four to Eleven The Third Edition of *Developing Language and Literacy 3 8* is an insightful introduction to teaching and learning English in the early years The new edition has been fully updated to reflect requirements for teaching English in the early years including the new curriculum guidance for the Early Years Foundation Stage and the new Primary Framework It covers all aspects of language and literacy and draws on contemporary ideas research and classroom expertise to guide practice The book includes chapters on Speaking and Listening Reading Resources for Language and Literacy Writing Spelling Handwriting and Punctuation Bilingual Learners Language Literacy and Gender Children with Difficulties Involving Parents and Carers Assessment Planning Along with activities to promote reflective practice the author provides suggestions for further reading and useful websites Further resource material for each chapter accompanies the book on the SAGE website www.sagepub.co.uk Browne This book will be an essential guide for early years and primary trainee teachers *Developing Language and Literacy with Young Children* Marian R Whitehead, 2007-04-25 In its third edition the author has included the latest research evidence relating to children aged from nought to eight Her writing embraces the value of play relationships bilingualism and multilingualism in creating a rich language and literacy environment *Developing Language and Literacy with Young Children* will appeal to a wide range of readers practitioners students and their tutors as well as parents and carers Early Years Update Highly readable Anybody working with babies and young children needs to have the knowledge that Whitehead clearly explains here SureStart One of the many excellent features of this book is the way it tackles the issue of bilingualism in early childhood Early Years Educator eye Praise for previous editions Marian Whitehead forces the reader to attend to the voice of the child against the encroachment of inappropriate curriculum demands Her total fascination for children s language development captures the reader in an enthusiastic and informed voyage through the most exciting and important aspect of human development language in the early years Early Years This is an excellent read for all parents and workers with young children The style of the book is friendly and accessible with beautifully produced photographs of children and indeed of their own work Marian Whitehead is not ashamed to draw on her experiences as a grandparent as well as highly competent theoretical researcher she does both with competence and humour This will prove an excellent source book for those involved in course design from childminders to university lecturers Child Language Teaching and Therapy Looking at the most exciting and important aspect of human development communication and language in the early years this accessible book gives carers parents teachers and other professionals who work and play with young children a confident understanding of children s communication and language development in the years from birth to age eight The book examines the wide range of elements that are typical of all our communication and language activities thinking feeling

imagining talking listening drawing writing and reading The author emphasizes the importance of children's relationships and communications with the people who care about them spend time with them and share in the excitement of their developing languages and their investigations of literacy Taking a holistic approach she covers o early communication and language o the achievements of young bilinguals o the significance of stories narrative and language play o the emergence of literacy in homes early years settings and classrooms This highly readable guide discusses how to help babies become competent communicators Anybody working with babies and young children needs to have the knowledge that Whitehead clearly explains here SureStart

Research in Young Children's Literacy and Language Development Olivia N. Saracho, 2019-12-13 The importance of the early years in young children's lives and the rigid inequality in literacy achievement are a stimulating backdrop to current research in young children's language and literacy development This book reports new data and empirical analyses that advance the theory of language and literacy with researchers using different methodologies in conducting their study with both a sound empirical underpinning and a captivating analytical rationalization of the results The contributors to this volume used several methodological methods e.g quantitative qualitative to describe the complete concept of the study the achievement of the study and the study in an appropriate manner based on the study's methodology The contributions to this volume cover a wide range of topics including dual language learners Latino immigrant children children who have hearing disabilities parents and teachers beliefs about language development early literacy skills of toddlers and preschool children interventions multimodalities in early literacies writing and family literacy The studies were conducted in various early childhood settings such as child care nursery school Head Start kindergarten and primary grades and the subjects in the studies represent the pluralism of the globe a pluralism of language backgrounds ethnicity abilities and disabilities This book was originally published as a special issue of *Early Child Development and Care*

Developing Vocabulary and Oral Language in Young Children Rebecca D. Silverman, Anna M. Hartranft, 2014-11-10 This book presents the most effective instructional strategies for promoting vocabulary growth in the early grades when the interdependence of word learning and oral language development is especially strong The authors guide teachers in choosing the best materials and in fostering home school connections and share six key principles for building vocabulary Included are guiding questions text boxes connecting vocabulary to the Common Core State Standards examples from real teachers reproducible checklists rubrics and other tools and an appendix of additional vocabulary resources Purchasers get access to a Web page where they can download and print the reproducible materials in a convenient 8 1/2 x 11 size

Helping Young Children Learn Language and Literacy Carol Vukelich, James F. Christie, Billie Enz, 2002 As a resource book designed for teachers of preschool and kindergarten students the text provides classroom strategies case studies classroom management techniques and home school connections to facilitate teaching the language arts Strategies for the bilingual classrooms are also included

Beginning Literacy with Language David K.

Dickinson,Patton O. Tabors,2001 Beginning literacy with language young children learning at home school **Helping Young Children Learn Language and Literacy: Birth through Kindergarten** Carol Vukelich,James Christie,Billie Jean Enz,2024-06-03 Pre service and in service teachers get sound instructional strategies for teaching the language arts to young children from birth to kindergarten and enhancing their reading writing speaking and listening development in this unique book that places children at the center of all good language and literacy teaching This book is about teaching the language arts about facilitating young children s reading writing speaking and listening development In a very readable manner the book places children at the center of all good language and literacy teaching while focusing on four central themes that run throughout the book 1 The authors provide rich descriptions of two perspectives in children s language and early literacy learning emergent literacy and scientifically based reading research and equip early childhood teachers with the know how to use the instructional strategies supported by the research in both perspectives 2 The authors acknowledge and take into account the increasing diversity of our society and schools by providing numerous illustrations of how teachers can work effectively with diverse learners providing special features at the end of chapters that explain how to adapt instruction for English Language Learners and children with special needs and by providing information on the tools teachers can use to discover what each child knows and can do in order to build on that child s prior knowledge 3 The authors stress that assessment cannot be separated from good teaching and they describe strategies that teachers can use to understand children s language and literacy knowledge in the context of specific learning and teaching events while also focusing on today s increasingly important accountability function of assessment and standardized testing instruments 4 The authors acknowledge the importance of the family in young children s language and literacy development and include descriptions of how early childhood teachers can connect with families and engage caregivers in their children s school or center

Language & Literacy in the Early Years 0-7 Marian R Whitehead,2010-02-16 This Fourth Edition of Language and Literacy in the Early Years has been fully revised and updated to reflect current professional interests and the latest developments in the field The book provides comprehensive coverage of issues in language literacy and learning focusing on the age range from birth to seven years New material covers theory of mind key persons and social and emotional dimensions of learning The author added material on difficulties with language development phonics and new literacies Key terms further reading and a revised layout make the book accessible to students The author emphasizes the joy and creativity involved in supporting young children s development as speakers writers and readers While taking account of current initiatives and programmes the author supports flexible teaching methods in what is a complex teaching and learning process The book is fully illustrated with examples and photos from early childhood settings This book is essential reading for primary and early years students and practitioners in the field of language and literacy including nursery nurses classroom assistants and foundation stage teachers **Helping Young Children Learn Language and Literacy** Carol
