Direct Investment and European Integration Stephen Thomsen, Stephen Woolcock, 1993 [Direct Investment and European Integration](#) Stephen Thomsen, Stephen Woolcock, 1993 **Direct Investment and European Integration** Stephen Thomsen, Stephen Woolcock, 1993 **The Political Economy of European Integration** Finn Laursen, 2023-12-11

The study of European integration produced much scholarly debate in the 1950s and 60s. The following two decades saw few works on European integration that included more elaborate discussions of theory and methodology. Most studies in that period were fairly descriptive. In recent years there has been renewed theoretical interest in European integration. This book however is one of the first to discuss and apply various political economy approaches explicitly to integration including classical integration theory and modern public choice theories. Areas covered include common policies and decision making as well as the external relations of the EU. The influence of the European Parliament, the concept of subsidiarity, trade policy, Economic and Monetary Union, reform of the Common Agricultural Policy, relations with EFTA and Eastern European countries as well as enlargement are all discussed. Audience: Of interest to both scholars and policy makers concerned with these issues.

Climate and Energy Protection in the EU and China Peter Hefele, Michael Palocz-Andresen, Maximilian Rech, Jan-Henrik Kohler, 2018-11-04. This edited volume gives an insight into climate and energy protection in China and the European Union. EU. By taking a closer look at the EU and China separately, the book presents the current situation in terms of environmental policy and energy use consumption in EU as well as in China. The book broaches the collaboration of the EU and China regarding climate and energy protection. The target audience primarily comprises research experts in the field of climate research as well as public decision makers.
