## **Disciples Are Made Not Born:**

Disciples Are Made Not Born Walter A. Henrichsen, 2011-09-01 Make Disciples Jesus command is clear But what is a disciple And how are we to make them Based on decades of experience this book explains and illustrates the process of disciple making that Jesus taught and modeled First published in 1974 its practical biblical approach has revolutionized the ministry of hundreds of thousands of Christians as they learned how to multiply themselves in the lives of others Disciple making is challenging to be sure But as we are faithful to Christ s Great Commission we ll experience the fulfillment that comes from being faithful to the life mission to which God has called us

**Disciples Are Made Not Born** Walter A. Henrichsen, 1988 Disciples Most Christians know little about them other than that Christ had 12 and that he commissioned these men to make disciples of all nations But just what is a 21st century disciple and how do you go about becoming one

*Disciple/Disciple-Maker* Joseph W. Segree, 2023-02-28 The titles in this collection represent five key biblical applications for the Christian Disciple Disciple Maker is about becoming a true disciple of Jesus Christ and helping others become His disciple The Biblical Meaning of Greatness presents the humble servant of Jesus Christ as the greatest in the kingdom of God Life in the Marketplace skillfully addresses the question How can I integrate my work and my ministry in such a way to find fulfillment in both The Problem of Tares employs the parable of the Wheat and the Tares to explain why there are so many unsaved people in churches today The Doctrine of Rewards is a Scripture filled study based upon the principle that grace does not eliminate accountability There are eternal consequences for temporal behavior The author s generous use of Scripture gives power to these messages and his clear well organized writing style makes them easy and enjoyable to read This collection will be a useful resource for the Christian who wants to impact others with the gospel and to enjoy a spiritually fruitful life and ministry

**The Y-B-H Handbook of Church Planting (Yes, But How?)** Roger N. McNamara, Ken Davis, 2005-05 This book is a practical step by step guide for church planters and their coaches It covers everything they need to know to start healthy growing churches that are biblically faithful and yet culturally relevant While addressing the who why and where of planting new congregations this comprehensive manual focuses primarily on the how tos The authors use a five stage life cycle conception pre natal development birth infancy adolescent growth and adult reproduction to flesh out the entire process of starting and growing a new church Under each of these stages a host of essential ministry and planning tasks is addressed so the planter can keep his baby church on course and can have the joy of watching the new church grow to maturity and eventually reproduce itself

*The Call to Joy and Pain* Ajith Fernando, 2007 Biblical theological and devotional insights and advice on how joy and pain are both integral parts of the life of service from ministerial veteran Ajith Fernando 2008 Christianity Today Book Award Winner

Pastor William H. Willimon, 2010-09-01 Ordained ministry says Willimon is a gift of God to the church but that doesn t mean that it is easy Always a difficult vocation changes in society and the church in recent years have made the ordained life all the more complex and challenging Is the

pastor primarily a preacher a professional caregiver an administrator Given the call of all Christians to be ministers to the world what is the distinctive ministry of the ordained When does one s ministry take on the character of prophet and when does it become that of priest What are the special ethical obligations and disciplines of the ordained In this book Willimon explores these and other central questions about the vocation of ordained ministry He begins with a discussion of who pastors are asking about the theological underpinnings of ordained ministry and then moves on to what pastors do looking at the distinctive roles the pastor must fulfill The book also draws on great teachers of the Christian tradition to demonstrate that while much about Christian ministry has changed its core concerns preaching the word the care of souls the sacramental life of congregations remains the same Ordained ministry is a vocation to which we are called not a profession that we choose To answer that call is to open oneself to heartache and sometimes hardship yet given the one who calls it is to make oneself available to deep and profound joy as well from good to grace and the saving of souls , **Unfamiliar Paths** David E. Bjork,2014-09-16 This book explains why some missionaries are being led to reject the missional models and many of the methodologies which are the most widely accepted by North American evangelical missionaries working in France The author demonstrates that the evangelical Protestant missionaries witness for Christ in Western Europe is often ineffective because their governing missional paradigm and their ministry methods working in conjunction tend to project a separatist image and isolate them from those they wish to influence for Christ The author argues for the development of a missionary spirituality based upon the kenosis and an understanding of Christian unity based upon the perichoresis **The Monist** Paul Carus,1897 Vols 2 and 5 include appendices **The Philosophy of Religion** George Trumbull Ladd,1909 "The" Monist ,1896 **An exposition of the New Testament [from An exposition on the Old and New Testament] with a preface by C.H.
