Easter Rabbit:

Easter Rabbit's Magic Anita Shepherd, 2013-01-29 Easter has always been a wonderful time and Mr Easter Rabbit was always excited to play his part When he was gifted with magical feet it was his duty to ensure each person received one special egg However people got tired of just one special egg and the desire for quantity rather than quality became the highlight of the holiday Slowly Mr Rabbit began to lose the magic in his feet that allowed him to place the special eggs Holiday Management was going to retire Mr Rabbit but decided to make one last effort to save his position They took what magic was left in his feet and placed it in a lucky rabbit s foot Mr Rabbit was told that if someone could ever be truly happy with one special egg again his magic would be restored In order to accomplish this task he set out to seek the help from some special people Brad and Chad Now mind you they weren t planning on becoming heroes again Needless to say their Easter just became a little more interesting and magical
