MARY SHRADER, Mary Shrader, 2006-03 Make Easter and Pentecost meaningful for young people Help them experience the joy and celebration of the Easter season and cheerfully proclaim Alleluia He is risen Bring the Scriptures alive and give young adolescents creative ways to explore pray and reflect on the salvation story so they are able to focus on the profound mystery of God among us The leader s guide has nine faith sessions as well as an extended session to help young people enter fully into the expectation and the joy of the Easter and Pentecost seasons In addition to its fully developed sessions this guide has strategies for encouraging real participation in the liturgical and community life of the parish as it ritualizes and celebrates the Easter season

The Historical Development of the Easter Vigil and Related Services in the Greek Church Gabriel Bertonière, 1972

Preacher of Grace Anthony Dupont, 2014-07-17 Augustine of Hippo 354 430 became known as the doctor of grace He developed his theory of divine grace mainly in his systematic treatises directed against the Pelagians ca 411 430 Did he however also preach about this complex and at first sight demoralizing issue in his sermons to the people In his previous book BSCH 59 Anthony Dupont studied the profile of the treatment of gratia in the anti Pelagian sermones ad populum In a Preacher of Grace Dupont offers an account of the presence of the theme of grace in Augustine s sermones not situated in the Pelagian controversy He first studies sermons preached on important liturgical feasts which belong to the non polemical pastoral preaching genre They are distributed throughout the 40 years of Augustine s preaching activity and are Christological in content and moralising in intention Secondly he examines sermons situated in the Donatist controversy preceding the anti Pelagian sermons chronologically and differing from them in terms of content This research provides a global picture of the presence and treatment of gratia in Augustine s sermones and clarifies the interaction between context audience and preaching genre on the one hand and the theme of grace as a whole on the other It also contributes to the debate on discontinuity in Augustine s thought on grace

The Glenstal Companion to the Readings of the Easter Vigil Luke Macnamara, Martin Browne, 2020-02-13 Scripture scholars liturgists and theologians explore the dynamic of the Vigil readings by examining a single Vigil reading in its liturgical context to provide a commentary to deepen your encounter with God s Word

The Jewish Pesach and the Origins of the Christian Easter Clemens Leonhard, 2006 The study assesses the main issues in the current debate about the early history of Pesach and Easter and provides new insights into the development of these two festivals The author argues that the prescriptions of Exodus 12 provide the celebration of the Pesach in Jerusalem with an etiological background in order to connect the pilgrim festival with the story of the Exodus The thesis that the Christian Easter evolved as a festival against a Jewish form of celebrating Pesach in the second century and that the development of Easter Sunday is dependent upon this custom is endorsed by the author s close study of relevant texts such as the Haggada of Pesach the Poem of the four nights in the Palestinian Targum Tradition the structure of the Easter vigil

McCarthy,2008-06 In this book we seek to trace the process of human transformation in the sacraments of Christian initiation celebrated in the context of the Easter vigil and from this to answer the question of what difference the Easter vigil makes in the life of one celebrating its rites Other scholars have presented similar studies of the scriptural readings of the Easter vigil and some have studied one or another of the major prayers of the Easter vigil in depth but none have presented until now a comprehensive study of the minor euchology of the Easter vigil The hermeneutical analysis of the renewed Latin liturgy of the Easter vigil reveals the dimension of Christian maturation by steps just as we already began to show in the first volume of the series and elsewhere The careful analysis of the grammatical and internal coherence of the euchology grounds the hermeneutical study in the Latin text of each oration **The American Ecclesiastical Review** Herman Joseph Heuser,1962 The Easter People Winifred Margareta Kirkland,1923 **Easter Vigil Homilies** Pope Francis,2019-02-21 2020 Catholic Press Association first place award Pope Francis Easter Vigil Homilies offers readers a unique view into the mind and heart of Pope Francis Here are collected the homilies he has preached year after year in Buenos Aires and more recently in Rome on the most sacred night of the Christian calendar While Francis s words and convictions on many topics are now widely known here we see how he understands the very heart of Christian faith and the ways he has helped those he has served including the elderly the poor and those who struggle to make a living and raise children in a busy world understand it and apply it to their own lives This book will be a welcome resource for those who want to better understand the faith that drives Pope Francis for homilists seeking new inspiration for their preaching for scholars and others interested in exploring the pre papal preaching of Jorge Mario Bergoglio for adult Christians as a resource for meditation and prayer and for all admirers and fans of this remarkable moral leader **Lent, Holy Week, Easter and the Great Fifty Days** Leonel L. clear step by step guidance for the liturgies of Lent and Easter In addition to background material for the traditions and theology of each season Mitchell includes specific preparations and instructions for each liturgy of the paschal cycle Ash Wednesday through Pentecost as well as Tenebrae the Way of the Cross the Vigil of Pentecost the liturgies of the catechumenate and the chrism mass He also provides helpful ideas for how the often complex liturgies of these seasons can be done simply and well by small congregations Based on the liturgies of The Book of Common Prayer and the latest edition of The Book of Occasional Services this ceremonial guide also draws on the paschal liturgies of other Anglican traditions including those in Canada s Book of Alternative Services
