With Maria's cookbooks, step-by-step instructions, it is easy to make any recipe a success. Reviews: Maria's instructions are very simple to follow, and my cakes are delicious. My family is in love with tasty and beautiful cakes. I am baking using her recipes. This is a must to try. I was always hesitant to bake myself and would always order my desserts at the bakery. A few months ago, I was convinced to try baking a cake by myself, and I was surprised how good it turned out. Since then, I have made seven cakes, and all of them were beyond my expectations. From now on, I will always make my sweets at home. Recipes are terrific. I like the way she explains the baking process, so easy to follow. I will order more recipe books. I was never a baker, but I was always curious about baking. With Maria's recipes, I was able to bake decent cakes. No one could believe I was the one who baked these cakes. They thought it came from a store. AAAA. I am happy I ordered this baking guide. It simplifies the whole baking process. My family and I like the results. Now I am making cakes a few times a month. Kids are happy.
