*Destination Delinquency?* A. J. Kloppers, 2004-05-01 Anyone who has ever faced difficult decisions or challenging personal events in their lives will be able to relate to this story Life will send you challenges no matter who you are and often it is more about your response and attitude to the problem than the problem itself that determines the outcome This is an inspirational true story about one person s unusual journey through adversity including an abusive childhood a genetically inherited illness cystic fibrosis and a near fatal blood disorder and offers a personal insight into how these hardships were dealt with and eventually overcome It is a story of hope No matter what your circumstances are you have the power to triumph and no longer see yourself as a victim It is up to you
