Dimensions of Community Nursing Practice Mary Jo Dummer Clark, Marcia Stanhope, Janette Lancaster, 2002
Community Nursing Practice Winsome St John, 2020-08-04

Community practice is a stimulating and diverse field of nursing Community nurses often work without direct support from other health professionals and need not only excellent clinical skills but also skills in communication research and health promotion Community Nursing Practice offers a thorough introduction to the role of the community nurse Based on principles of primary health care it outlines the theory knowledge and skills required to make a difference to the health and wellbeing of individuals families groups and even whole communities The contributors make a point of articulating knowledge that is often taken for granted among experienced practitioners Community Nursing Practice is based on the premise that community nursing is a specialist field of nursing practice in its own right and nurses require a specific body of knowledge to work effectively in a community setting no matter what their clinical focus or location Contributors outline the foundations of community practice including principles of disease prevention and wellness promotion as well as a social model of health Together with the skills required for work with different population groups the contribution of research is explored Professional skills including program management advocacy teamwork home visiting and self management are also covered With contributions from leading nurse educators and researchers Community Nursing Practice is richly illustrated with case studies and examples from a variety of practice settings It is an essential student text and valuable professional reference

Faith Community Nursing P. Ann Solari-Twadell, Deborah Jean Ziebarth, 2019-08-31 A multi authored book with editors and authors who are leaders in Faith Community Nursing FCN that aims to address contemporary issues in faith based whole person community based health offering cost effective accessible patient centered care along the patient continuum while challenging contemporary health policy to include more health promotion services Twenty five chapters take the reader from a foundational understanding of this historic grass roots movement to the present day international specialty nursing practice The book is structured into five sections that describe both the historical advancement of the Faith Community Nursing its current implications and future challenges taking into account the perspectives of the pastor congregation nurse health care system and public health national and international organizations The benefits of this book are that it is intended for a mixed audience including lay

academic medical professionals or health care executives By changing the mindset of the reader to see the nurse as more than providing illness care the faith community as more than a place one goes to on Sunday and health as more than physical creative alternatives for promoting health emerge through Faith Community Nursing **Faith Community Nursing** Janet Susan Hickman,2006 This unique text combines traditional parish nursing content with community health nursing methodology coverage of community and faith community assessment and health education and health promotion disease prevention programming **Community Health Care Development** Deborah Hennessy,1997-11-11 This book brings together a range of different experts to give a multidisciplinary perspective on recent changes in the health service It focuses particularly on the effect of those changes for community nurses and their clients The practical implications are always to the fore making this essential reading for community nurses and their management colleagues **Dimensions of Professional Nursing** Lucie Young Kelly,Lucille A. Joel,1999 Emem Bear Likes Bubble Bath is a Children s picture book that emphasizes on the notion of hygiene and learning parts of the body Emem Bear demonstrates some of her knowledge of the names of the different parts of her body She is encouraged to name and ask questions Emem Bear is demonstrating her ability and is sharing information with her mother in an open dialogue while she is taking her bubble bath In this colorful story Emem Bear and her Mama are happily enjoying the bath time Emem Bear is participating in the process of cleaning her body What a better way for Mama Bear is than encouraging Emem Bear and allowing the space for her to be aware of her own body parts and how she is taking care of Emem Bear s participation brings pride and joy to her As once she admits that she was not too fond of bath time Emem Bear is thankful She demonstrates her grace and courtesy In this whimsical story the information presented and the incentive is based on concrete knowledge and learning process for children ages two to six as it is drawn from their daily life experiences The story is entertaining educational and witty It does increase the child s awareness of her his body Children do strongly relate to the story naturally **An Introduction to Community and Primary Health Care** Diana Guzys,Rhonda Brown,Elizabeth Halcomb,Dean Whitehead,2017-06-27 To equip students for a complex field of practice An Introduction to Community and Primary Health Care offers a comprehensive foundation in the theory skills and application of community and primary health care in Australia and New Zealand This fully revised new edition incorporates current leading primary health care research and features new chapters on indigenous health correctional nursing and nurse practitioners reflecting the dynamic nature of community health care practice Learning objectives reflective and critical thinking questions case studies and further reading consolidate understanding of key concepts Students and instructors can also find comprehensive supplementary resources on the companion website With each author writing in their areas of expertise this practical resource equips students with the tools they will need as community and primary health care professionals working in a diverse range of settings across Australia and New Zealand **Residential versus Community Care** Raymond Jack,2016-01-06 The role of residential care in welfare provision has been debated for many years Recent

emphasis on care in the community has led to closure of hospitals and residential homes on a massive scale Drawing together contributions from some key names in the field this provocative and stimulating book questions the reasons for the rejection of this form of care and offers a reassessment of its role in community care for the twenty first century Kelly's Dimensions of Professional Nursing, Tenth Edition Lucille A. Joel,2011-04-01 The classic issues and trends text for Bachelor of Science Nursing programs updated to reflect today s challenges Market Bachelor of Science Nursing students 100 000 in the USA Covers important non clinical aspects of nursing such as history scope of practice role of the profession in the health care industry and ethical and legal issues Key Concepts Critical Issues Controversial Points and other features highlight important information The author served two terms as President of the American Nursing Association **Kelly's Dimensions of Professional Nursing** Lucille A. Joel,2003-03-22 This classic text chronicles the non clinical history trends and issues of the nursing profession Features on line resources and unique coverage of international issues and guidance on professional writing New pedagogical features found in the Ninth Edition include chapter summaries highlighted key information ethical case vignettes and new chapters **Dimensions of Community Mental Health Care** Malcolm Weller,M. Muijen,1993 As a comprehensive review of the current status of community care this book provides an overview and practical guidance on the provision of community based services All recent trends are included and discussed and there is also a chapter written from the user s perspective Spiritual Dimensions of Nursing Practice Verna Benner Carson,1989 This unique book discusses the spiritual aspects of nursing care addressing the needs of both nurse and patient It emphasizes the universality of spirituality and is appropriate for nurses and patients of many religious faiths The developmental stages of spirituality how to provide spiritual care in acute and chronic situations Western and Eastern spiritual beliefs and burnout as a spiritual issue are just a few of the topics discussed Community Health Nursing Marcia Stanhope,1992 **Community Health Nursing** Mary Jo Dummer Clark,2003 Community Health Nursing Caring for Populations Fourth Edition Now more than ever locally nationally globally society is in need of community health services The Fourth Edition of Community Health Nursing continues to emphasize the application of community health nursing as it relates to specific populations settings and community health problems Using an easy to follow organizing framework the text assists readers in applying nursing process and nursing interventions to the care of the individual families and population groups Theoretically and scientifically sound as well as practical and applicable this resource is a thorough introduction to the specialty Features New Cultural Considerations highlight cultural factors that influence health health care delivery and community health nursing practice New Ethical Awareness feature introduces readers to ethical dilemmas faced by community health nurses and assists them in applying principles of ethical decision making New Chapter Care of Clients in Official and Voluntary Agencies includes detailed discussion of parish nursing and its roles and functions as well as local health agencies and standards functions and services of community public health nursing Assessment Tips detail key

considerations in nursing assessment in specific populations settings and health problems Comprehensive technology package that includes a Companion Website corresponding student CD ROM and online course management systems in WebCT Black Board and Course Compass platforms
