Dire Consequences:

Communication Strategies for Managing Conflict Mary Lou Higgerson, 2016-03-21 The conflict management guide academic leaders have been searching for Communication Strategies for Managing Conflict gives academic leaders the tools and insight they need to effectively manage conflict affiliated with leading change and problematic faculty performance Using case studies that bring typical issues to light this book guides you through difficult situations with strategies and analyses of key issues variables and options The real life examples show you effective conflict management at work and provide direct application to your own tricky leadership situations You ll learn how to deal with difficult people how to have difficult conversations and how to successfully manage change in the face of departmental resistance Written by an experienced academic leader consultant and writer this practical guide provides the leadership training academics wish they already had Successful conflict management is essential not just to departments but to the entire institution Senior leaders faculty and students all rely on you to smooth the change process and keep the department running smoothly This book gives you a foundation in the critical skills for managing conflict when leading change and managing problem performance and the insight to apply them appropriately Communicate more effectively with students parents and faculty Navigate difficult conversations with tenured faculty more successfully Lead change more effectively Mentor and manage problem performance more effectively Keep faculty performing well and focused on the right priorities Most academic leaders come into their position reluctantly with little or no preparation for the role receive very little training or coaching and are thus not equipped to manage conflict when it arises Communication Strategies for Managing Conflict is a lively readable and practical guide that will prove useful in the most difficult and common departmental situations *Too Big to Die* Sue Ann Jaffarian, 2017-12-08 Viral videos and dangerous criminals turn Odelia and Greg s good deed into accusations of murder It s the dog days of summer for Odelia and Greg after they rescue a dog from a closed car on a blistering hot day The culprit is former reality star Marla Kingston who s married to a client of Odelia s law firm The dog was saved but Odelia s job might not be when Kingston demands blood Things get even stickier when a video of the rescue goes viral and the man who helped them winds up dead And who is the mysterious young woman who shows up about the same time Is she connected or just an opportunist looking to cash in on their reluctant Internet fame Praise for the *Odelia Grey Mysteries* A delightful series Ellery Queen Mystery Magazine A witty series with its quirky well drawn characters Booklist Balancing her professional skills as a paralegal with her self doubt as a sleuth Odelia is one of the most believable amateur detectives in recent fiction Beautifully plotted and carefully crafted this is a marvelous start to an exciting new series Strongly recommended Library Journal Plus size reading pleasure try this one on Lee Child New York Times bestselling author The Nitty-Gritty in the Life of a University William J. Adams, 2007 An esteemed professor and one time chairman of the mathematics department at New York s Pace University Adams interested in all facets of university administration has produced an almost Jeffersonian volume of

correspondence from his tenure His views on textbook selection collective bargaining and the proper role of the university have all flowed from his notebook and no problem was too minute to evade his scope The frivolity of some of these papers is balanced by Adams s opinions on weightier issues including sexual harassment and compensation in higher education His approach and forward manner on these situations despite how genuine sometimes engendered resentment from his fellow faculty But for those interested in the particulars of an academic career this book offers a glimpse of what life may really be like inside the ivory tower Kirkus Discoveries **The Illinois Medical Journal** ,1907 **Pratte V.
