Beyond Easter Betty Whitaker Jackson, 2016-03-18 This book is a collection of writings on the topic Beyond Easter Ascension and Pentecost The season following Easter gets less attention than Easter but really is a time when Jesus passionately taught the disciples with a sense of urgency knowing that He would soon leave their presence and ascend to heaven Forty days after the Crucifixion and Resurrection of Christ Jesus ascended into heaven as King of Kings and Lord of Lords and He is seated at the right hand of Almighty God until He returns again to earth at the end of the age On Pentecost The Holy Spirit appeared to the disciples and others gathered in an upper room in Jerusalem A strong wind occurred and what appeared to be tongues of fire anointed them They were empowered to accomplish many tasks to begin the work of the Church Jerusalem residents and visitors from all over the world were amazed to hear the disciples able to tell of Jesus life and resurrection in their own languages On that day alone over 3 000 people were baptized after hearing Peter preach This book is based on the two events as part of a gallery exhibition at Covenant Presbyterian Church PCA in Palm Bay Florida Under the direction of Worship Leaders Paxson and Allison Jeancake artists musicians and writers have created pieces in honor of Ascension and Pentecost under the title God Is With Us The Ascension and Outpouring Proceeds from the sale of this book will be donated to the Faith Promise Ministry for Missions This church has established over twenty new churches in the last five years around the world and locally They are evidence of the outpouring of the Holy Spirit **The Rising** Wendy M. A Once-and-coming Spirit at Pentecost Raymond Edward Brown,1994 Father Brown completes his look at the great seasons of the liturgical year making the rich insights of modern biblical exegesis conveniently available to all with this volume for the season from Easter to Pentecost During this season the Church reads consecutively from the Acts of the Apostles recounting the external life of the Church after Pentecost The accompanying readings from the Gospel according to John portray the internal life of Christian disciples and promise a coming Paraclete to be sent by the Father Father Brown s title A Once and Coming Spirit signifies these two great biblical sources that he reflects on He shows how these readings speak to our time as we live out the external history of a visible Church while internally drawing life from Jesus as branches on the vine His comments offer an opportunity to appreciate the intent of the season after Easter and to prepare ourselves for the intensified gift of the spirit at Pentecost

The daily practices do not take much time and they are designed to let the new life of the Resurrection and the power of Pentecost flow into your life. The Jewish Pesach and the Origins of the Christian Easter Clemens Leonhard, 2012-02-14 The study assesses the main issues in the current debate about the early history of Pesach and Easter and provides new insights into the development of these two festivals. The author argues that the prescriptions of Exodus 12 provide the celebration of the Pesach in Jerusalem with an etiological background in order to connect the pilgrim festival with the story of the Exodus. The thesis is that the Christian Easter evolved as a festival against a Jewish form of

celebrating Pesach in the second century and that the development of Easter Sunday is dependent upon this custom is endorsed by the author's close study of relevant texts such as the Haggada of Pesach the Poem of the four nights in the Palestinian Targum Tradition the structure of the Easter vigil Eur-Aryan Roots Joseph Baly,1897 *The Road to Emmaus* Denis McBride,2018 *History of the Christian Church: Ante-Nicene Christianity, A.D. 100-325* Philip Schaff,1910 The Catholic Encyclopedia: New Mexico-Philip ,1911 **History of the Christian Church.
