

# Early Kabbalah

**Lei Shi**

## **Early Kabbalah:**

The Early Kabbalah Joseph Dan, Ronald C. Kiener, 1986 Here are previously unavailable texts including The Book Bahir and the writings of the Iyyum circle that were written during the first one hundred years of this movement that was to become the most important current in Jewish mysticism This movement began in the late 12th century among Rabbinic Judaism in southern Europe

**Knowledge of God and the Development of Early Kabbalah** Jonathan Dauber, 2012-08-01 In Knowledge of God and the Development of Early Kabbalah Jonathan Dauber offers a fresh consideration of the emergence and early development of Kabbalah against the backdrop of a re evaluation of the relationship between early Kabbalistic and philosophic discourse He argues that the first Kabbalists adopted a philosophic ethos that was foreign to traditional Rabbinic Judaism but had taken root in Languedoc and Catalonia under the influence of newly available philosophical materials In this ethos the act of investigating God was accorded great religious significance and it was its adoption by the first Kabbalists that helped spur them to engage in their investigations of God and in so doing develop Kabbalah

**A History of Kabbalah** Jonathan Garb, 2020-07-23 Jonathan Garb s A History of Kabbalah From the Early Modern Period to the Present Day is a lucid and sophisticated account of the multifaceted nature of Jewish mysticism focusing on its development from the spiritual revolution that took place in Safed in the sixteenth century until the present Opening the secrets of the kabbalah to a wider audience Garb judiciously argued that how important the mystical and esoteric tradition has been in Jewish history and in the cultural and intellectual life of Europe more generally One of the more methodologically innovative aspects of Garb s book is his contention that kabbalah became a major factor in the religious life of Jews in the modern age due to print and others forms of rapid communication a process that has magnified significantly in recent years due to the digital revolution Informative and provocative A History of Kabbalah will surely be of interest to a wide readership

Kabbalah: A Very Short Introduction Joseph Dan, 2005-11-30 In Kabbalah A Very Short Introduction Joseph Dan one of the world s leading authorities on Jewish mysticism offers a concise and highly accurate look at the history and character of the various systems developed by the adherents of the Kabbalah Dan sheds light on the many misconceptions about what Kabbalah is and isn t including its connections to magic astronomy alchemy and numerology and he illuminates the relationship between Kaballah and Christianity on the one hand and New Age religion on the other The book provides fascinating historical background ranging from the mystical groups that flourished in ancient Judaism in the East and the medieval schools of Kabbalah in Northern Spain and Southern France to the widening growth of Kabbalah through the school of Isaac Luria of Safed in the sixteenth century to the most potent and influential modern Jewish religious movement Hasidism and its use of kabbalistic language in its preaching The book examines the key ancient texts of this tradition including the Sefer Yezira or Book of Creation The Book of Bahir and the Zohar Dan explains Midrash the classical Jewish exegesis of scriptures which assumes an infinity of meanings for every biblical verse and he concludes with a brief

survey of scholarship in the field and a list of books for further reading Embraced by celebrities and integrated in many contemporary spiritual phenomena Kabbalah has reaped a wealth of attention in the press But many critics argue that the form of Kabbalah practiced in Hollywood is more New Age pabulum than authentic tradition Can there be a positive role for the Kabbalah in the contemporary quest for spirituality In Kabbalah Joseph Dan debunks the myths surrounding modern Kabbalistic practice offering an engaging and dependable account of this traditional Jewish religious phenomenon and its impact outside of Judaism About the Series Combining authority with wit accessibility and style Very Short Introductions offer an introduction to some of life s most interesting topics Written by experts for the newcomer they demonstrate the finest contemporary thinking about the central problems and issues in hundreds of key topics from philosophy to Freud quantum theory to Islam

The Name Mark Sameth,2020-05-04 The God of ancient Israel universally referred to in the masculine today was understood by its earliest worshipers to be a dual gendered male female deity So argues Mark Sameth in The Name Needless to say this is no small claim Half the people on the planet are followers of one of the three Abrahamic religions Judaism Christianity and Islam each of which has roots in the ancient cult that worshiped this deity The author s evidence however is compelling and his case meticulously constructed The Hebrew name of God YHWH has not been uttered in public for over two thousand years Some thought the lost pronunciation was Jehovah or Yahweh But Sameth traces the name to the late Bronze Age and argues that it was expressed Hu Hi Hebrew for He She Among Jewish mystics we learn this has long been an open secret What are the implications for us today if he was not God

**Kabbalah in Print** Andrea Gondos,2020-11-01 How did Jewish mysticism go from arcane knowledge to popular spirituality Kabbalah in Print examines the cultural impact of printing on the popularization circulation and transmission of Kabbalah in the late sixteenth and early seventeenth centuries The Zohar in particular generated a large secondary literature of study guides and reference works that aimed to ease the linguistic and conceptual challenges of the text The arrival of printed classics of Kabbalah was soon followed by the appearance of new literary genres anthologies digests lexicons and other learning aids that mediated mystical primary sources to a community of readers not versed in this lore A detailed investigation of the four works by R Yissakhar Baer ca 1580 ca 1629 of Prague sheds light on the literary strategies pedagogic concerns and religious motivations of secondary elites a new cadre of authors empowered by the opportunities that printing opened up Andrea Gondos highlights shifting intellectual and cultural boundaries in the early modern period when the transmission of Kabbalah became a meeting point connecting various strata of Jewish society as well as Jewish and Christian intellectuals

**The Sacred Books and Early Literature of the East** Charles Francis Horne,1917

**Trajectories of Mysticism in Theory and Literature** P. Leonard,2000-05-15 Trajectories of Mysticism in Theory and Literature is a collection of essays which considers how recent critical theory contributes to debates about mystical and negative theology This collection draws upon a wide range of material including Biblical texts autobiographical confessional and fictional writing from the sixteenth

century to the twentieth century divinity in English German Spanish and French traditions as well as work on God and metaphysics by Schelling Weil Levinas Derrida de Ma Irigaray and Cixous Jewish Mysticism Joseph Dan,1998-11-01 Interest in Jewish mysticism is in our generation widespread and growing From Hebrew schools to Hollywood people of all backgrounds and levels of knowledge are pursuing the subject Books magazines journals and classes are rapidly growing in number One result of this burst of interest and popularization of Jewish mysticism is the problem of misinformation The need for reliable source material has become crucial This four volume work by Professor Joseph Dan is a monumental event in the publishing history of English language reference books on the subject of Jewish mystical thought and practice Professor Dan s credentials are of the highest order The recipient of the Israel Prize considered to be Israel s highest honor Joseph Dan is the Gershom Scholem Professor of Kabbalah at the Hebrew University of Jerusalem and continues to be a visiting professor at some of the most prestigious institutions of higher learning in the world *Kabbalistic Revolution* Hartley Lachter,2014-11-01 The set of Jewish mystical teachings known as Kabbalah are often imagined as timeless texts teachings that have been passed down through the millennia Yet as this groundbreaking new study shows Kabbalah flourished in a specific time and place emerging in response to the social prejudices that Jews faced Hartley Lachter a scholar of religion studies transports us to medieval Spain a place where anti Semitic propaganda was on the rise and Jewish political power was on the wane Kabbalistic Revolution proposes that given this context Kabbalah must be understood as a radically empowering political discourse While the era s Christian preachers claimed that Jews were blind to the true meaning of scripture and had been abandoned by God the Kabbalists countered with a doctrine that granted Jews a uniquely privileged relationship with God Lachter demonstrates how Kabbalah envisioned this increasingly marginalized group at the center of the universe their mystical practices serving to maintain the harmony of the divine world For students of Jewish mysticism Kabbalistic Revolution provides a new approach to the development of medieval Kabbalah Yet the book s central questions should appeal to anyone with an interest in the relationships between religious discourses political struggles and ethnic pride

**New Paths in Jewish and Religious Studies** Glenn Dynner,Susannah Heschel,Shaul Magid,2024-06-15 The work of Elliot R Wolfson has profoundly influenced the fields of Jewish studies as well as philosophy and religion more broadly His radically new approaches have created pioneering ways of analyzing texts and thinking about religion through the lens of gender sexuality and feminist theory The contributors to *New Paths in Jewish and Religious Studies* Essays in Honor of Professor Elliot R Wolfson many of whom are internationally renowned scholars hearken from diverse fields Each has learned from and collaborated with Wolfson as student or colleague and each has expanded the new scholarly directions initiated by Wolfson s groundbreaking work Wolfson s scholarship gives us innovative ways to think about Judaism and a fresh understanding of religion Not only a scholar Wolfson is one of the most important Jewish thinkers of our day Chapters are grouped according to the categories of religion Jewish thought and philosophy and a focused section on Kabbalah Wolfson s

primary specialization The volume concludes with a bibliography of Wolfson s published work and a selection of his poetry

**The Jews of Provence and Languedoc** Ram Ben-Shalom,2024-05-08 This exhaustive history of Provençal Jewry examines the key aspects of Jewish life in Provence over some 1 500 years of cultural florescence with far reaching consequences A seminal examination of the crucial role of the Jews of Provence in shaping medieval Jewish culture in the Mediterranean basin

**A Short Survey of the Literature of Rabbinical and Medieval Judasim** William Oscar Emil Oesterley,George Herbert Box,1920

**The Schocken Guide to Jewish Books** Barry W. Holtz,1992 Customs mysticism Hebrew and Yiddish literature and Jewish feminism

Kabbalah of Creation Hayyim ben Joseph Vital,Isaac ben Solomon Luria,2000 A translation of the early Kabbalah of Rabbi Isaac Luria the founder of the most influential Jewish mystical school of the last four hundred years

The Other Bible Willis Barnstone,2005-09-20 A new edition of our classic The Other Bible including a new index new cover and a new introduction from the author to bring The Other Bible up to date The Other Bible gathers in one comprehensive volume ancient esoteric holy texts from Judeo Christian tradition that were excluded from the official canon of the Old and New Testaments including the Gnostic Gospels the Dead Sea Scrolls the Kabbalah and several more The Other Bible provides a rare opportunity to discover the poetic and narrative riches of this long suppressed literature and experience firsthand its visionary discourses on the nature of God humanity the spiritual life the world around us and infinite worlds beyond this one This new edition will include a full index and a new introduction from editor Willis Barnstone

o The interest in Gnostic texts begun with The Da Vinci Code has spread to include many of the other suppressed early texts of Judaism and

Christianity and this book contains many of them in one volume Kabbalah and the Founding of America Brian Ogren, 2024-11-05 Explores the influence of Kabbalah in shaping America's religious identity In 1688 a leading Quaker thinker and activist in what is now New Jersey penned a letter to one of his closest disciples concerning Kabbalah or what he called the mystical theology of the Jews Around that same time one of the leading Puritan ministers developed a messianic theology based in part on the mystical conversion of the Jews This led to the actual conversion of a Jew in Boston a few decades later an event that directly produced the first kabbalistic book conceived of and published in America That book was read by an eventual president of Yale College who went on to engage in a deep study of Kabbalah that would prod him to involve the likes of Benjamin Franklin and to give a public oration at Yale in 1781 calling for an infusion of Kabbalah and Jewish thought into the Protestant colleges of America Kabbalah and the Founding of America traces the influence of Kabbalah on early Christian Americans It offers a new picture of Jewish Christian intellectual exchange in pre Revolutionary America and illuminates how Kabbalah helped to shape early American religious sensibilities The volume demonstrates that key figures including the well known Puritan ministers Cotton Mather and Increase Mather and Yale University President Ezra Stiles developed theological ideas that were deeply influenced by Kabbalah Some of them set out to create a more universal Kabbalah developing their ideas during a crucial time of national myth building laying down precedents for developing notions of American exceptionalism This book illustrates how through fascinating and often surprising events this unlikely inter religious influence helped shape the United States and American identity **Mystics of the Book** Robert A. Herrera, 1993 Mystics of the Book is a collection of studies by prominent scholars on different aspects of Jewish Christian and Islamic mysticism Included are studies on major writers such as Meister Eckhart Ibn al Arabi and Judah the Pious Seminal texts such as the Sefer Yetzirah Von Abegescheidenheit and al Futuhat al Makkiva are discussed as are general trends particular modes symbols metaphors and historical and ideological turns within a chronological range of nearly fifteen hundred years and a geographical range extending from Spain to Persia and Germany to North Africa
