Lachmann Mosse, G. Q. Bowler**

## **Early Modern Germany Hc:**

*Ideas and Cultural Margins in Early Modern Germany* Marjorie Elizabeth Plummer, 2016-12-14 While the assumption of a sharp distinction between learned culture and lay society has been broadly challenged over the past three decades the question of how ideas moved and were received and transformed by diverse individuals and groups stands as a continuing challenge to social and intellectual historians especially with the emergence and integration of the methodologies of cultural history This collection of essays influenced by the scholarship of H C Erik Midelfort explores the new methodologies of cultural transmission in the context of early modern Germany Bringing together articles by European and North American scholars this volume presents studies ranging from analyses of individual worldviews and actions influenced by classical and contemporary intellectual history to examinations of how ideas of the Reformation and Scientific Revolution found their way into the everyday lives of Germans of all classes Other essays examine the ways in which individual thinkers appropriated classical medieval and contemporary ideas of service in new contexts discuss the means by which groups delineated social intellectual and religious boundaries explore efforts to control the circulation of information and investigate the ways in which shifting or conflicting ideas and perceptions were played out in the daily lives of persons families and communities By examining the ways in which people expected ideas to influence others and the unexpected ways the ideas really spread the volume as a whole adds significant features to our conceptual map of life in early modern Europe [Names and Naming in](#)

[Early Modern Germany](#) Marjorie Elizabeth Plummer, Joel F. Harrington, 2019-06-01 Throughout the many political and social upheavals of the early modern era names were words to conjure by articulating significant historical trends and helping individuals and societies make sense of often dramatic periods of change Centered on onomastics the study of names in the German speaking lands this volume gathering leading scholars across multiple disciplines explores the dynamics and impact of naming and renaming processes in a variety of contexts social artistic literary theological and scientific in order to enhance our understanding of individual and collective experiences **Witchcraft, Madness, Society, and Religion in**

**Early Modern Germany** H. C. Erik Midelfort, 2013 H C Erik Midelfort has carved out a reputation for innovative work on early modern German history with a particular focus on the social history of ideas and religion This collection pulls together some of his best work on the related subjects of witchcraft the history of madness and psychology demonology exorcism and the social history of religious change in early modern Europe Several of the pieces reprinted here constitute reviews of recent scholarly literature on their topics while others offer sharp departures from conventional wisdom A critique of Michel Foucault s view of the history of madness proved both stimulating but irritating to Foucault s most faithful readers so it is reprinted here along with a short retrospective comment by the author Another focus of this collection is the social history of the Holy Roman Empire where towns peasants and noble families developed different perceptions of the Protestant and Catholic Reformations and of the options the religious revolutions of the sixteenth century offered Finally this collection also

brings together articles which show how Freudian psychoanalysis and academic sociology have filtered and interpreted the history of early modern Germany

**Migrations in the German Lands, 1500-2000** Jason Coy, Jared Poley, Alexander Schunka, 2016-09-01 Migration to from and within German speaking lands has been a dynamic force in Central European history for centuries Exemplifying some of the most exciting recent research on historical mobility the essays collected here reconstruct the experiences of vagrants laborers religious exiles refugees and other migrants during the last five hundred years of German history With diverse contributions ranging from early modern martyrdom to post Cold War commemoration efforts this volume identifies revealing commonalities shared by different eras while also placing the German case within the broader contexts of European and global migration

**Witch Hunts in Europe and America** William E. Burns, 2003-10-30 From early sorcery trials of the 14th century associated primarily with French and Papal courts to the witch executions of the late 18th century this book's entries cover witch hunting in individual countries major witch trials from Chelmsford England to Salem Massachusetts and significant individuals from famous witches to the devout persecutors Entries such as the evil eye familiars and witch finders cover specific aspects of the witch hunting process while entries on writers and modern interpretations provide insight into the current thinking on early modern witch hunts From the wicked witch of children's stories to Halloween and present day Wiccan groups witches and witchcraft still fascinate observers of Western culture Witches were believed to affect climatological catastrophes put spells on their neighbors and cavort with the devil In early modern Europe and the Americas witches and witch hunting were an integral part of everyday life touching major events such as the Reformation and the Scientific Revolution as well as politics law medicine and culture

**The Sacred and the Sinister** David J. Collins, S. J., 2019-03-20 Inspired by the work of eminent scholar Richard Kieckhefer *The Sacred and the Sinister* explores the ambiguities that made and make medieval religion and magic so difficult to differentiate The essays in this collection investigate how the holy and unholy were distinguished in medieval Europe where their characteristics diverged and the implications of that deviation In the Middle Ages the natural world was understood as divinely created and infused with mysterious power This world was accessible to human knowledge and susceptible to human manipulation through three modes of engagement religion magic and science How these ways of understanding developed in light of modern notions of rationality is an important element of ongoing scholarly conversation As Kieckhefer has emphasized ambiguity and ambivalence characterize medieval understandings of the divine and demonic powers at work in the world The ten chapters in this volume focus on four main aspects of this assertion the cult of the saints contested devotional relationships and practices unsettled judgments between magic and religion and inconclusive distinctions between magic and science Freshly insightful this study of ambiguity between magic and religion will be of special interest to scholars in the fields of medieval studies religious studies European history and the history of science In addition to the editor the contributors to this volume are Michael D Bailey Kristi Woodward Bain Maeve B Callan Elizabeth Casteen Claire Fanger

Sean L. Field, Anne M. Koenig, Katelyn Mesler, and Sophie Page      **Catholic Belief and Survival in Late Sixteenth-Century**

**Vienna** Elaine Fulton, 2016-12-05 Dr. Georg Eder was an extraordinary figure who rose from humble origins to hold a number of high positions at Vienna University and the city's Habsburg court between 1552 and 1584. His increasingly uncompromising Catholicism eventually placed him at odds, however, with many influential figures around him, not least the confessionally moderate Habsburg Emperor Maximilian II. Pivoting around a dramatic incident in 1573 when Eder's ferocious anti-Lutheran polemic, the Evangelical Inquisition, fell under sharp Imperial condemnation, this book investigates three key aspects of his career: It examines Eder's position as a Catholic in the predominantly Protestant Vienna of his day; the public expression of Eder's Catholicism and the strong Jesuit influence on the same; and Eder's rescue and subsequent survival as a lay advocate of Catholic reform, largely through the alternative protection of the Habsburgs' rivals, the Wittelsbach Dukes of Bavaria. Based on a wide variety of printed and manuscript material, this study contributes to existing historiography by reconstructing the career of one of late sixteenth-century Vienna's most prominent figures. In a broader sense, it also adds significantly to the wider canon of Reformation history by re-examining the nature and extent of Catholicism at the Viennese court in the latter half of the sixteenth century. It concludes by emphasising the importance of influential laity such as Eder in advancing the cause of Catholic reform and challenges the prevalent portrayal of the sixteenth-century Catholic laity as an anonymous and largely passive group who merely responded to the ministries of others.

**The Long European Reformation** Peter G. Wallace, 2019-09-28 In this established textbook, Wallace provides a succinct overview of the European Reformation, interweaving the influential events of the religious reformation with the transformations of political institutions, socio-economic structures, gender relations, and cultural values throughout Europe. Examining the European Reformation as a long-term process, he reconnects the classic 16th-century religious struggles with the political and religious pressures confronting late medieval Christianity and argues that the resolutions proposed by reformers such as Luther were not fully realised for most Christians until the early 18th century. This new edition features a brand-new chapter on the Reformation from a global perspective, updated historiography, a new chronology, and updated material throughout, including on the interrelationship between religion and politics after 1648. *The Long European Reformation* provides an even-handed and detailed account of this complex topic, providing a clear overview that is perfect for undergraduate and postgraduate students of history and religious studies. New to this Edition: New chapter on the Reformation in global perspective; Incorporates new perspectives and current debates on Luther and the place of the Reformation within Western history, including consideration of how people lived with their religious differences; Expanded conclusion with references to the 500th anniversary and religious continuities.      *Encyclopedia of Witchcraft* Richard M. Golden, Director, Jewish Studies Program, 2006-01-30 The definitive compilation on witchcraft and witch hunting in the early modern era, exploring significant people, places, beliefs, and events. *Encyclopedia of Witchcraft: The Western Tradition* is the

definitive reference on the age of witch hunting approximately 1430 1750 its origins expansion and ultimate decline Incorporating a wealth of recent scholarship in four richly illustrated alphabetically organized volumes it offers historians and general readers alike the opportunity to explore the realities behind the legends of witchcraft and witchcraft trials Over 170 contributors from 28 nations provide vivid documented descriptions and analyses of witchcraft trials and locations folklore and beliefs magical practices and deities influential texts and the full range of players in this extraordinary drama witchcraft theorists and theologians historians and authors judges clergy and rulers the accused and their persecutors Concentrating on Europe and the Americas in the early modern era the work also covers relevant topics from the ancient Near East including the Hebrew and Christian Bibles classical antiquity and the European Middle Ages The Executioner's Journal Frantz Schmidt,2016-09-02 During a career lasting nearly half a century Meister Frantz Schmidt 1554 1634 personally put to death 392 individuals and tortured flogged or disfigured hundreds more The remarkable number of victims as well as the officially sanctioned context in which they suffered at Schmidt s hands was the story of Joel Harrington s much discussed book *The Faithful Executioner* The foundation of that celebrated work was Schmidt s own journal notable not only for the shocking story it told but in an age when people rarely kept diaries for its mere existence Available now in Harrington s new translation this fascinating document provides the modern reader with a rare firsthand perspective on the thoughts and experiences of an executioner who routinely carried out acts of state brutality yet remained a revered member of the local community widely respected for his piety steadfastness and popular healing Based on a long lost manuscript thought to be the most faithful to the original journal this modern English translation is fully annotated and includes an introduction providing historical context as well as a biographical portrait of Schmidt himself The executioner appears to us not as the frightening brute we might expect but as a surprisingly thoughtful complex person with a unique voice and in these pages his world emerges as vivid and unforgettable *Studies in Early Modern German History* **Routledge Library Editions: Political Protest** Various,2022-07-30 This 26 volume set is a wide ranging time and subject spanning examination of the phenomenon of political protest What drives people to take to the streets and how do their governments respond These questions and many more are analysed in areas as varied as sixteenth century German peasant uprisings revolutionary Russians at the Paris Commune women protesting nuclear weapons at Greenham Common and the role Christianity played in protests across the ages An impressive reference resource this set also looks at the policing of protests and official responses to them Health, Disease, and Society in Europe, 1500-1800 Peter Elmer,Ole Peter Grell,2004 The period from the Renaissance to the Enlightenment constitutes a vital phase in the history of European medicine This volume contains a selection of classical writing and up to date research in the field and extracts from contemporary sources **Historians of Early Modern Europe** ,1961 *Guide to Departments of History* ,1989 Scholars of Early Modern Studies ,1995 Directory of History Departments and Organizations in the United States and Canada ,2005 Directory of History

Departments, Historical Organizations, and Historians ,2007      *Europe in the Sixteenth Century* Helmut Georg  
Koenigsberger,George Lachmann Mosse,G. Q. Bowler,1989 This edition has been revised rewritten and expanded It  
examines 16th century Europe as a complex but interconnected whole and explores the different political structures of  
Europe such as the monarchies and city republics how they operated and related to one another      The Journal of  
Speculative Philosophy ,2002      **Communal Christianity** David Christopher Mayes,2002

## Whispering the Secrets of Language: An Mental Quest through **Early Modern Germany Hc**

In a digitally-driven world where displays reign supreme and quick communication drowns out the subtleties of language, the profound secrets and emotional subtleties hidden within words usually get unheard. However, located within the pages of **Early Modern Germany Hc** a interesting fictional value blinking with raw thoughts, lies an extraordinary journey waiting to be undertaken. Composed by a talented wordsmith, this wonderful opus invites viewers on an introspective journey, gently unraveling the veiled truths and profound affect resonating within the very material of each word. Within the psychological depths of this touching review, we will embark upon a heartfelt exploration of the book is primary subjects, dissect its interesting publishing type, and fail to the powerful resonance it evokes deep within the recesses of readers hearts.
