

# ENGLISH LITERATURE NOTES

## Anglo-Saxon or Old English Period (450-1050)

- In 43 A.D, England became part of Roman Empire but Roman withdrew in early 5<sup>th</sup> century. They spoke Celtic languages. They named the island as Britannia now Britian
- After that in 450, Germanic Tribes from Western Europe invaded England named Angles, Saxon and Jutes thus called Anglo-Saxon. Britannia named as Angleland then Engleland and then England. There were two social classes in Anglo Saxons: Earls meaning ruling class and Churls means lower class. They were Pagans means believing in many deities.
- After 5<sup>th</sup> century, Christian missionaries were sent to Britian to enforce religion and this work began in 597 with Augustine's mission by arrival of Monk Augustine in Kent and completed in 605. King Ethelbert was the first English Christian King.

## Literature

### Works:

- A code of law written by King Ethelbert is the first written piece of Old English.
- There are four major manuscripts found in English Poetry:
  1. Beowulf: It is an epic by unknown author and is known as national poem of England. It is also considered as the first major poem in European context. In this epic, Beowulf is the hero and he is the son of Egtheow and king of Geats and there is a monster named Grendel and one other character King Hrothgar who is King of Danes. It concludes with funeral ceremony of Beowulf. Beowulf like other English poetry of that time is inspired by tension between Pagan and Christian Moral Codes. Beowulf is written in West Saxon Dialect and consists of 3182 Lines.
  2. Junius Book
