Eagle Of Cutaways:

Tracts of Action ,2024-05-21 This volume offers the user a guide to the neglected field of how to books How do I make soap How do I dye textiles What ingredients do I need for an effective remedy Practical information of this kind on distillation medicine dyeing cosmetics glassmaking ceramics metallurgy and many other subjects flooded the book market in the first centuries of printing As varied as these subjects may be they provoke a number of research questions How does one learn practical skills from a book Why were these books so popular who used them and how and can they even be considered a clearly defined genre The aim of this volume is to establish which patterns characterise the genre of how to books It also aims to contribute to the clarification of terms for a genre that operates under labels such as books of secrets and recipe books Some key issues addressed in this volume are traces of book use the media shift from manuscript to print the interaction between text and image and the praxeological dimension of practical books Self help literature made it possible for interested laypersons to obtain information from all possible fields of knowledge largely independent of institutional and educational environments As tracts for action they differed from other genres in that they were consistently oriented towards implementation

The Eagle Annual of the Cutaways Daniel Tatarsky,2008 After Dan Dare the most famous and fondly remembered part of the Eagle comic was the cutaway Basically these were beautifully detailed drawings of the inner workings of pretty much anything from steam trains jet liners and racing cars to oil wells suspension bridges and tube lines beneath Piccadilly Circus The Eagle had a team of three or four artists but the king of the cutaway was undoubtedly L Ashwell Wood whose forensic attention to detail be it a cross section of the Cutty Sark or a grand landscape of how electricity is generated enthralled a generation of school boys

The Eagle Book of Cutaways Denis Gifford,1988 This is a selection of the best of the technical drawings that ran across the centre spreads of the Eagle comic for more than a decade

Confabulation: An Anecdotal Autobiography by Dave Gibbons Dave Gibbons,2023-03-14 This comprehensive in depth and personal journey through the eyes of one of the world s most famous comics creators Dave Gibbons spans his earliest years copying Superman and Batman comics as a kid to co creating the bestselling graphic novel of all time Watchmen and beyond Presented alphabetically with informally written anecdotes that can be read from cover to cover or simply dipped into Gibbons reveals unseen comics pitches life as the first Comics Laureate and going from being a fanzine artist to infiltrating DC Comics in the 1970s The book covers everything from working on Doctor Who and meeting Tom Baker to being inducted into the Eisner Hall of Fame Gibbons also discusses for the first time anywhere the reasons why he and fellow Watchmen co creator Alan Moore no longer speak Packed with over 300 iconic rarely seen and unpublished art pieces and photographs Confabulation An Anecdotal Autobiography not only entertains but peels back the layers of a fascinating career in comics

The Palgrave Handbook of Humour, History,

and Methodology Daniel Derrin, Hannah Burrows, 2021-01-12 This handbook addresses the methodological problems and theoretical challenges that arise in attempting to understand and represent humour in specific historical contexts across cultural history It explores problems involved in applying modern theories of humour to historically distant contexts of humour and points to the importance of recognising the divergent assumptions made by different academic disciplines when approaching the topic It explores problems of terminology identification classification subjectivity of viewpoint and the coherence of the object of study It addresses specific theories together with the needs of specific historical case studies as well as some of the challenges of presenting historical humour to contemporary audiences through translation and curation In this way the handbook aims to encourage a fresh exploration of methodological problems involved in studying the various significances both of the history of humour and of humour in history

Classical and Neoclassical Criminology Krista S. Gehring, Michael R. Batista, 2018 CrimComics offers a new way to approach criminological theory by engaging students with impactful highly visual illustrated texts Each CrimComics Issue traces the development of the theory placing it in social and political context and demonstrates its application to the real world The last page of each Issue features review questions and key terms Issue 1 Origins of Criminology introduces students to the two major schools of criminological thought the Classical School and the Positivist School This issue discusses the concepts developed by the major proponents of these schools Cesare Beccaria Jeremy Bentham and Cesare Lombroso Page 4 de la couverture

Market Growers Journal, 1925 *Sketching for Engineers and Architects* Ron Slade, 2016-05-20 Using real working drawings from a 50 year career Ron Slade shows how drawing remains at the heart of the design process in the everyday working life of engineers and architects The book explains simple techniques that can be learnt and used to enhance any professional's natural ability Using over 180 categorised examples it demonstrates that drawing remains the fastest clearest and most effective means of design communication Unlike many other books on drawing in the construction industry this book is engineer led and science oriented but effectively shows that there is a close affinity between the working methods of architects and engineers
