Craigslist offering web services and her VERY FIRST CALL was a call even I couldn't tackle. The customer wanted to have a website built. The website they wanted built was a psychic hotline where customers were billed by the minute. They wanted all of these features such as phone call capabilities and I mean the complete works. Naturally, Connie was frustrated and she emailed me. I immediately emailed her and advised her how to proceed by booking the job, getting paid 75% of what she already knew, and outsourcing the remaining part. The website was successfully completed with stellar reviews within 3 days. Connie signed up with Get Digital World and in 3 months she made her first customer. She charged 1200.00 to build the psychic Hotline site. Got paid immediately and did 75% of the work on her own. With our tools. Then on my advice, outsourced the remaining part to a freelancer for only 125.00. Her profit 1075. The customer was quoted over 3000.00 by a company called web.com prior to calling Connie. So in the end, not only was Connie successful and happy, but so was the customer. The customer got the site for more than 50% of what they were originally quoted. Faster than the other company. And the most beautiful part is that customer ever wants to change their website. Who will they likely call? Connie is my guess. This is an example of how Get Digital World stands by our customers. We go WAY beyond the site. We're a family. And while you're on your own in your online career, you're never REALLY alone. Finally, if these methods work, why don't you do it yourself? It's the very question I know I would ask. We do. To date, we have built and assisted in building nearly 7000 websites. We've produced amazing audio books, mobile apps, books on your Android devices. Nearly 50 books published on Amazon, iBooks, Google, Barnes & Noble. While also offering a full and complete WordPress Business and Home Health eCoaching business. While I cannot guarantee your success, I CAN guarantee you this: If you do not treat your customers well, they will shop elsewhere. Always give your best. No matter if they are paying you a single dollar or a million. That same service is what I and all of the staff here at Get Digital World aim to give you. And if you feel that you have not gotten the very best from us, let us know via the many contact forms we have scattered around our site. We will make it right.
