Instagram Growth Christoph Amort,2020-07-07 **WARNING** Do not read this book if you don t care about your Instagram growth Instagram is undeniably one of the most important marketing channels around and any marketer not yet using its full potential is missing out on something big Whether you manage the marketing of a big corporation a small business or you re building your own personal brand incorporating Instagram into your strategy is a must Take a look at the following 6 points to see why

- 1 Instagram is centred on storytelling Telling an interesting story is a great way to create an emotional connection with your audience Sharing visual content is the best way to let your audience know what you re about and build a relationship with potential future customers and ambassadors
- 2 Visual content is essential to your marketing strategy Photos are the most engaging content on the Web with visual posts producing 650% higher engagement than text only Using Instagram to test what resonates with your audience will help you develop your branding
- 3 You can reach a LOT of people through Instagram With over 700 million monthly users on the platform Instagram offers businesses a huge potential audience Instagram hashtags are the best way of getting your content out there and in front of the right people You can also create targeted ads to reach even more potential customers if you re willing to set aside some budget
- 4 It s the perfect opportunity to engage with your community Instagram actually has the highest average engagement rate of all marketing channels It even has a higher brand engagement rate which shows the audience on Instagram is more open to branded content than they are on other platforms
- 5 It s a goldmine of useful feedback and insights Whether or not your brand is present on the platform people will still use it to talk about your products and services You can t and shouldn t just ignore this feedback It s essential to understand how customers perceive your brand
- 6 It s great for keeping an eye on your competitors You might not use Instagram as a marketing channel yet but your competitors probably already do Discover some best practices in your industry and define your own creative strategy
- 7 This book will help you realize the full potential
