lines in the document In addition to summarizing Jefferson s political philosophy the Declaration was an amalgamation of the words and thoughts of famous political philosophers of the previous century including Montesquieu and John Locke Regardless Jefferson is now remembered as the author of one of the English language s most timeless passages We hold these truths to be self evident that all men are created equal that they are endowed by their Creator with certain unalienable Rights that among these are Life Liberty and the pursuit of Happiness Throughout June of 1776 Jefferson worked in Philadelphia within short walking distance of the Congress writing the first rough draft of the Declaration of Independence In substance it mostly resembled the final document with an emphasis on natural rights and self government Throughout the editing process it was reduced by nearly a quarter through the removal of sentences and redundancies Congress approved of the Declaration of Independence on July 2 1776 but returned it to Adams and Jefferson for some fine tuning before giving it their final approval two days later Though Independence Day is celebrated on July 4 Adams wrote to Abigail on July 3 1776 in the belief that it would be July 2 that would be remembered as the important day The Declaration of Independence The History and Legacy of America s Founding Document chronicles the history that brought about America s formal break from Great Britain Along with pictures and a bibliography you will learn about the Declaration of Independence like never before in no time at all **The Declaration of Independence** Thomas Jefferson,2020-03-18 The Declaration of Independence was adopted by the Second Continental Congress meeting at the Pennsylvania State House now known as Independence Hall in Philadelphia Pennsylvania on July 4 1776 This may be the most famous angry letter in history *Writing the Declaration of Independence* Joseph J.
