A Divine Revelation Of Hell Time Is Running Out:

A Divine Revelation of Hell Mary K. Baxter,1993-01-01 Visions of Hell In A Divine Revelation of Hell over a period of thirty nights God gave Mary K Baxter visions of hell and commissioned her to tell people still alive on earth to reject sin and evil and to choose life in Christ Here is an account of the place and beings of hell contrasted with the glories of heaven Follow Mary in her supernatural journey as she enters with Jesus into a gateway to hell and encounters the sights sounds and smells of that dark place of torment including its evil spirits cells pits jaws and heart Be an eyewitness to the various punishments of lost souls and hear their shocking stories This book is a reminder that each of us needs to accept the miracle of salvation before it is too late and to intercede for those who do not yet know Christ Time is running out *The Authority of the Believer* Dr. Michael Fluitt,2009-09-04 This book deals with The Authority of the Believer in Christ Jesus It is a book based on the Biblical teachings of Jesus and the transfer of His Authority back to the church as seen in Matt 28 18 and other scriptures It shows us the source the power the confidence the divine protection and immunity over the works of the enemy and the laying on of hands that belong to the believer and how to use this Authority from a Biblical prospective It teaches us who we are and what we are in Christ Jesus and what belongs to us as Children of the King **The Gospel Beyond the Grave** Lewis Brogdon,2025-06-09 Will Black lives matter beyond the grave at history s end and on the day of judgment In The Gospel Beyond the Grave Toward a Black Theology of Hope Lewis Brogdon brings the history and experiences of Black people to bear on eschatology Not only questioning why Black people have been ignored from the consideration of last things he argues that a theologically sound eschatology must include a divine reckoning for slavery and racism Brogdon also gives a fresh contextual lens to Christ s reconciliatory work that provides hope for our salvation from the sins of racism and a future together in a new heaven and new earth *The Demons of William James* Tadd Ruetenik,2018-07-04 This book is a psychological exploration of unusual minds a religious exploration of demonological myth and a philosophical exploration of the reaches of pragmatism It uses topics such as hypnotism mediumship and mass possession to argue for a comprehensive understanding of the demonic that acknowledges not only the creativity which it encourages but also the danger it can bring Professor Ruetenik uses James religious pragmatism to evaluate the relevance of psychical research and to explain common beliefs regarding demons spirits and other controlling personalities The conclusion of this interdisciplinary research is as alarming as it is fascinating When exploring the demons of William James we discover that ordinary personality cannot be clearly separated from what we consider the demonic *The Publishers Weekly* ,1994 **Charisma and Christian Life** ,2003 *The Saturday Evening Post* ,1995 *Virtue* ,1995 **Time is Running Out** Reinhard Bonnke,1999 Evangelist Reinhard Bonnke has an unbridled passion for winning souls His ministry has but one single purpose plundering hell to populate heaven In this dramatic new book Bonnke conveys his passion for evangelism while sharing techniques for effectively reaching the lost of this world He challenges Christians to live an active faith testifying witnessing seeing knowing

and doing and share that faith in a way that shows the world what God is really like One thing is certain you cannot read the writings of Reinhard Bonnke without taking action Funny poignant exhorting uncompromising giving all glory to the Lord Bonnke calls for every member of the Church to reexamine his or her priorities and heed the call of Christ to preach the good news

Books Out Loud ,2007 **The American Religion in General** Robert E. Willoughby,2006 The American Religion in General is an invigorating challenge to Christian churches to face up to their dying influence a result of thier fundamentalism biblical literalism racism homophobia militarism and theological exclusivity All Willoughby says are at variance with the spirit and teaching of the historic Jesus who preached inclusiveness nonviolence compassion and sharing and whose power is invitational rather than coercive
