### **And Now For Something Completely Different:**

**And Now for Something Completely Different** Jodi Taylor, 2019-01-01 A Chronicles of St Mary's short story that is sure to entertain. If you love Jasper Fforde or Ben Aaronovitch you won't be able to resist Jodi Taylor. Here's a question for you: What's the most exciting thing ever found in a fire bucket? And don't say fire because you'll be wrong. Suppose just suppose it was the technology to take a pod to Mars. Yeah, now we're talking. Every Christmas for reasons which seem good at the time, especially after an eggnog or two, Max and the others leap into the nearest pod and indulge in their illegal Christmas jump. It's a tradition. This year, however, just to be different, they find themselves part of someone else's illegal Christmas jump. It's time to don a spacesuit and bring your own urine. Readers love Jodi Taylor. Once in a while I discover an author who changes everything. Jodi Taylor and her protagonist, Madeleine Max Maxwell, have seduced me. A great mix of British properness and humour with a large dollop of historical fun. Addictive. I wish St Mary's was real and I was a part of it. Jodi Taylor has an imagination that gets me completely hooked. A tour de force. *And Now for Something Completely Different* Egan Kate Egan, 2020-09-21 Examining Monty Python's enduring status as an unconventional anti-authoritarian comedy touchstone, this book reappraises Python's comedy output from the perspective of its 50 years of cultural circulation.
