**Demonic** Byron Belitsos,2023-04-18 The Problem of Evil and the Predicament of Theodicy As Christians or theists we are moved to share the truth of God s love for humankind But how can we speak of such providential care in a world rife with crime war racism genocide and even ecocide In response to this predicament a theodicy proposes a rational defense of God s goodness that offers consolation to victims and hope to all believers Truths about Evil Sin and the Demonic provides a sweeping history of the discipline of theodicy that focuses on its strategic turning points and its possible future Belitsos argues that because of the atrocities of the last century and the threat of horrendous evils in the coming century we need to marshal the most explanatory elements of all previous theodicies and then drive toward an integrative model based on a creative synthesis The author also turns to a modern revelatory source that supports his argument for such a meta theodicy He concludes by critically engaging with this source and the entire tradition in his call for an apophatically informed integral theodicy
