Ancient Warriors:

Warriors of the World: The Ancient Warrior Martin J. Dougherty, Amber Books, 2010-03-02 The first book in a new lavishly illustrated series on the weapons uniforms and other key details that defined the world's most legendary warriors. Spanning some 3,500 years of history and moving from the Bronze Age to the Iron Age, *Warriors of the World* describes the armies that fought on the battlefields of the Classical World. The book shows how the composition of those armies changed as different cultures rose and fell from prominence, such as the peasant levies of the Egyptian Pharaohs and the well-drilled citizen soldiers of the Roman Republic, and as tactics and technology advanced, allowing better armor and weapons to be used to greater effect in battle. From the first organized armies of the Ancient Near East to the so-called barbarian hordes of Goths, Huns, and other non-Romans who caused the fall of the Western Roman Empire, *Warriors of the World* explores the development of ancient soldiers and how they fought through the ages. With detailed color illustrations and fact-filled accompanying text, the book is the essential guide for any enthusiast of the period. [Transmigrators Gather Here](#) Heng Liu, 2020-09-17 After the return of the transcender, all sorts of otherworldly elders would collide within the shop. The person who destroyed a planet with a single punch could only obediently listen to the main character. **Vikings** Kenny Abdo, 2020-12-15 This title focuses on the history of Vikings. It breaks down their origin, tactics, and place in modern culture. This hi-lo title is complete with thrilling and colorful photographs, simple text, glossary, and an index. Not only that, even his family was killed by his brother, and his beloved woman was taken away. Unwilling to die like this, he practiced for a full 10,000 years and finally practiced his martial arts. In this life, he must return to the peak and revenge ten times. About the Author: Deng Xia Wuyu is a well-known online novelist. He has rich creative experience, strong writing ability, and has authored many novels. Among his representative works are *Sword Master*, *Close to the Sky*, *Supreme Emperor*. His novels are loved for deeply describing the characters.
