A Mighty Rushing Wind Ron Lajeunesse,2008-01-21      **Like a Mighty Rushing Wind** Rudy Val Busto,1992      *A Mighty Rushing Wind* David Wolkwitz,1994-01-01      Sound of a Mighty Rushing Wind Pierre Coovert,2022-07-02 On the day of Pentecost Acts Chapter Two there was a sound from heaven as of a rushing mighty wind About 160 years ago a small breeze started blowing in England This breeze has become a great and strong wind Like many strong winds this wind has a name It is called the Charismatic Renewal Some would have us believe that these two winds have the same source In Acts Chapter Two the sound of a rushing mighty wind announced the receiving of power by the church in Jerusalem This power to witness was passed on to the other churches born out of this church without any signs In I Kings 19 11 we see another wind And he said Go forth and stand upon the mount before the Lord And behold the Lord passed by and a great and strong wind rent the mountains and brake in pieces the rocks before the Lord but the Lord was not in the wind and after the wind an earthquake but the Lord was not in the earthquake God is not always in those things that make the most noise The wind in this passage was strong enough to violently tear the mountains apart and to break the rocks in pieces But God was not in the wind nor was He in the earthquake that followed As God was not in this wind we will see that God is not in the wind of Charismatic Renewal This movement may be spectacular and it may make some fantastic claims but it is not a movement that comes from God nor is it lead by the Holy Spirit      **The Congregationalist** ,1915      A Rushing Mighty Wind (eBook) Angus Buchan,2013-05-15 Inspired by the miraculous events of the 2012 Feast of Tabernacles in the En Gedi Desert near Jerusalem comes A RUSHING MIGHTY WIND by Angus Buchan With sharp attention to detail Buchan fervently testifies how he together with 4 500 believers experienced the reality of the Holy Spirit the tangible presence of God He explains how this moving of the Holy Spirit is similar to what was experienced by the early church as described in Acts 2 and how it highlights numerous past revivals all throughout history A RUSHING MIGHTY WIND is a stirring book that will remind readers that the Lord is not just a historical figure but that He is alive and at work and that He is with us always      **Baptisma** John Lathern,1889      Jesus, Continued... J.D. Greear,2014-11-04 Encounter the dynamic presence of God as you learn from pastor and author J D Greear how to more fully experience the Holy Spirit within you Jesus gave his disciples the audacious promise that the Spirit he would send to live inside them would be even better than if he himself remained beside them Yet how many of us consider our connection to the Holy Spirit so strong that we would call his presence in us better than Jesus himself walking by our side J D Greear was the pastor of a rapidly growing church who still felt like he didn t know how to relate to God personally Though he knew a lot about God he wasn t as sure about how to walk with God Furthermore he felt overwhelmed by the size of the mission Jesus had left for his church In a world of so much need what difference could he possibly make Learning how God dwells in us and empowers us in the Holy Spirit redefined his life and ministry Ministry became less about working for God and more about letting God work through him Drudgery was replaced by delight

helplessness was replaced by empowerment In Jesus Continued Greear explores in clear and practical language questions such as What does it mean to have a relationship with the Holy Spirit How can we tell when the Spirit is speaking to us What do you do when God feels absent If you are longing to know God in a vibrant way Jesus Continued has good news for you That's exactly what God wants for you too His Spirit stands ready to guide you empower you and use you [The Supernatural and the Circuit Riders](#) Rimi Xhemajli,2021-06-22 In [The Supernatural and the Circuit Riders](#) Rimi Xhemajli shows how a small but passionate movement grew and shook the religious world through astonishing signs and wonders Beginning in the late eighteenth century early American Methodist preachers known as circuit riders were appointed to evangelize the American frontier by presenting an experiential gospel one that featured extraordinary phenomena that originated from God's Spirit In employing this evangelistic strategy of the gospel message fueled by supernatural displays Methodism rapidly expanded Despite beginning with only ten official circuit riders in the early 1770s by the early 1830s circuit riders had multiplied and caused Methodism to become the largest American denomination of its day In investigating the significance of the supernatural in the circuit rider ministry Xhemajli provides a new historical perspective through his eye opening demonstration of the correlation between the supernatural and the explosive membership growth of early American Methodism which fueled the Second Great Awakening In doing so he also prompts the consideration of the relevance and reproduction of such acts in the American church today  **birthing New Ministries** Tony Moss,2011-10-20  **Tornado God** Peter J. Thuesen,2020-04-01 One of the earliest sources of humanity's religious impulse was severe weather which ancient peoples attributed to the wrath of storm gods Enlightenment thinkers derided such beliefs as superstition and predicted they would pass away as humans became more scientifically and theologically sophisticated But in America scientific and theological hubris came face to face with the tornado nature's most violent windstorm Striking the United States more than any other nation tornadoes have consistently defied scientists efforts to unlock their secrets Meteorologists now acknowledge that even the most powerful computers will likely never be able to predict a tornado's precise path Similarly tornadoes have repeatedly brought Americans to the outer limits of theology drawing them into the vortex of such mysteries as how to reconcile suffering with a loving God and whether there is underlying purpose or randomness in the universe In this groundbreaking history Peter Thuesen captures the harrowing drama of tornadoes as clergy theologians meteorologists and ordinary citizens struggle to make sense of these death dealing tempests He argues that in the tornado Americans experience something that is at once culturally peculiar the indigenous storm of the national imagination and religiously primal the sense of awe before an unpredictable and mysterious power He also shows that in an era of climate change the weather raises the issue of society's complicity in natural disasters In the whirlwind Americans confront the question of their own destiny how much is self determined and how much is beyond human understanding or control  *The Ballad of the Wind, the Devil and Lincoln Minster* Arnold Frost,1898  **A Commentary on the Revised Version of the**
